ACROSS THAILAND

New Connections, New Adventures

Campus Rangers International School was delighted to take part in Education Fairs in Chiang Mai, Bangkok, and Hat Yai. These events provided wonderful opportunities to connect with prospective families, meet new partners, and share more about our international school community.

It was a pleasure meeting enthusiastic families and education professionals who share our commitment to creating meaningful learning opportunities for students. We are grateful to everyone who visited us, learned more about our school, and began a conversation about the possibilities ahead.

We look forward to staying connected with our new partners and families and building strong relationships that create more opportunities for collaboration and growth. Thank you for welcoming us so warmly across Thailand—we hope to see you again soon!

CELEBRATING UNITY, PRIDE AND LOVE FOR MALAYSIA

Patriotic Month 2026

Campus Rangers International School proudly launched Patriotic Month 2026, marking the beginning of a meaningful celebration dedicated to unity, gratitude, and love for our nation. The launching ceremony brought together students, teachers, and members of the school community in a joyful celebration of Malaysia's heritage and national identity.

The event highlighted the importance of patriotism and encouraged students to appreciate Malaysia's rich history, diverse cultures, and shared values. It was a wonderful opportunity for everyone to reflect on what makes our nation unique while strengthening the bonds of friendship, respect, and unity among Malaysians.

Adding excitement and colour to the celebration were a variety of performances by our talented students. The programme featured captivating singing and dancing, along with a showcase of arts that celebrated Malaysia's vibrant cultural heritage. These performances created a lively atmosphere and allowed students to express their creativity and national pride.

Patriotism goes beyond waving the Jalur Gemilang. It means respecting others, appreciating our differences, contributing positively to society, and working together towards a brighter and more harmonious future.

As we continue Patriotic Month, may this celebration inspire our students to become responsible, caring, and proud Malaysians who value unity, diversity, and their role in building a better nation. Selamat Menyambut Bulan Kebangsaan!

HONOURING HARD WORK AND ACHIEVEMENT

IGCSE Results

The IGCSE results were released this month, bringing a day filled with excitement, happy nerves, smiles, and proud moments!

A huge congratulations to all our students on reaching this important milestone. It is amazing to see their dedication, perseverance, and hard work reflected in their results. Your achievements remind us that commitment and determination lead to success. We are incredibly proud of each of you!

We also extend our heartfelt thanks to our wonderful teachers, who have worked tirelessly to guide, care for, encourage, and support our students throughout their learning journey. Your dedication has made a meaningful difference.

May these results open doors to wonderful opportunities and an exciting future. Keep dreaming big, stay curious, and enjoy the journey!

STRUMMING, SINGING & SMILING: A MUSICAL MORNING AT RANGERS KIDZ

Last month, Rangers Kidz enjoyed a special morning filled with music, learning, and shared moments!

A heartfelt thank you to Mr Eugene (Aline's father) for generously volunteering his time to visit our preschool. As part of our lessons on electric instruments, Mr Eugene brought along his electric guitar and gave our little ones a fun and meaningful hands-on learning experience.

Our children were thrilled to have the opportunity to strum the electric guitar and explore the instrument up close. They had a wonderful time singing, clapping along to the rhythm, and enjoying the musical experience together.

It was a joyful morning filled with curiosity, laughter, and discovery. Experiences like these encourage our children to explore new things, learn through play, and create wonderful memories together.

A big thank you to Mr Eugene for making the morning so memorable!

PRESCHOOL INSIGHT

FAIRNESS BEGINS WITH SHARING

Our Nursery students had a wonderful time learning about the importance of sharing through fun and engaging role-play activities. They explored the difference between "Fair" and "Not Fair" by taking turns, sharing toys, and thinking about how their choices make others feel. Through these activities, the children learned that sharing, kindness, and taking turns help everyone feel included, happy, and valued. It was a joyful learning experience for all!

SINK OR FLOAT? LET'S EXPLORE!

Our Nursery students had a wonderful time exploring which objects sink and which objects float. Through hands-on experiments, they made predictions, tested different objects, and shared their observations with friends. They also practised expressing themselves through daily conversations by using simple words and sentences to share their ideas, ask questions, and describe what they discovered. It was a fun-filled learning experience that encouraged curiosity, communication, and confidence!

PRESCHOOL INSIGHT

EXPLORING DAY AND NIGHT!

In Science class, our Preschool 1 students explored the fascinating phenomenon of day and night. Using a globe and a light source, they discovered how sunlight shines on one side of the Earth while the other side experiences darkness. By rotating the globe, the children explored how different countries experience different times of day. It was an exciting hands-on activity that made learning about our world fun and meaningful!

BUILDING CREATIVITY, ONE HOUSE AT A TIME!

Our Preschool 1 students had a wonderful time creating their own 3D foldable houses. With great care, effort, and imagination, they coloured each room and proudly presented their creative designs to the class. This exciting home project encouraged creativity, confidence, and a sense of achievement. A big thank you to all our parents for their wonderful support and teamwork. We are so proud of our young learners—well done, everyone!

SECONDARY INSIGHT

LEADING THE WAY: HEAD PREFECT ELECTION 2026/27

The excitement is building at Campus Rangers International School as our Head Prefect Election 2026/27 gets underway! Students are actively participating in the election process, carefully considering the candidates and choosing the student leader they believe will represent them with confidence, responsibility, and integrity.

The election provides students with a valuable opportunity to experience leadership, decision-making, and the importance of having a voice in their school community. Each candidate has the chance to demonstrate their leadership qualities, while every student has an important role to play.

Every vote matters, and every choice helps shape the future of student leadership. We encourage all students to participate responsibly, make thoughtful decisions, and proudly exercise their right to vote.

Your vote, your voice, your choice!

SECONDARY INSIGHT

DISCOVERING WHO WE ARE, CONNECTING WHERE WE'RE GOING

Connections matter, and so does knowing who you are!

As part of our Career Guidance Workshop, our counsellors guided students through an engaging journey of self-discovery and career exploration. Students explored their D.O.P.E. Personality Profile, gaining valuable insights into their strengths, preferences, and unique characteristics. This helped them identify career pathways that align with their personalities, interests, and abilities, supporting more informed choices about their future.

The workshop also highlighted the importance of effective networking, showing students how meaningful connections can create opportunities and open doors to future possibilities. Through self-awareness, career exploration, and networking skills, students were encouraged to build confidence and take ownership of their future. Here's to making informed choices and shaping a bright future!

A CAMP TO REMEMBER: ADVENTURES, CREATIVITY & FUN

Our Rangers Camp was an unforgettable two days and one night filled with laughter, teamwork, creativity, and adventure! From the moment students arrived, the camp came alive with energy and excitement as they embraced new experiences and enjoyed quality time together.

Field-Based Learning Programme

The days began with morning exercise and continued with exciting outdoor games and activity-packed challenges that encouraged students to work together, think creatively, and step outside their comfort zones. As evening arrived, everyone settled in for a cosy movie night before getting some well-deserved rest.

The adventure continued with hands-on creative activities, including making DIY snow globes and treasure boxes. Every activity brought opportunities to learn new skills, explore ideas, and create something special.

With plenty of fun, friendship, and memorable moments, our Rangers returned home with new skills, wonderful stories to share, and happy memories that will last long after camp!

LEARNING BEYOND THE CLASSROOM: PRIMARY CULTURAL CLUB VISITS MINNATURE

Our Primary Cultural Club recently embarked on an exciting study field trip to MinNature Kuala Lumpur, where learning came to life beyond the classroom! Guided by their Cultural Club teacher, Ms. Cheah, our students explored the fascinating world of miniature models while discovering more about Malaysia's rich culture, heritage, and iconic landmarks.

Field-Based Learning Programme

The trip provided students with a unique opportunity to connect what they learn in school with real-world experiences. As they explored the detailed miniature displays, students observed, asked questions, shared ideas, and discovered new perspectives about the places and communities around them.

More than just a fun outing, the field trip encouraged curiosity, creativity, and appreciation for Malaysia's diverse cultural heritage. It was wonderful to see our students engaged, enthusiastic, and eager to learn throughout the experience.

This memorable visit reminded us that learning can happen anywhere—and sometimes, the smallest details can inspire the biggest discoveries!

A STRONG START TO OUR YEAR 9 PRE-IGCSE CAMP!

Last week, our Year 9 students kicked off their Pre-IGCSE Camp in Malacca with an exciting day filled with history, learning, friendship, and adventure!

The day began with a journey through Malacca's rich heritage as students visited some of its iconic historical landmarks, including A'Famosa Tower, the Prison Museum, and the remains of St. Paul's Church atop Malacca Hill. These experiences gave students the opportunity to connect their learning with the history and culture around them.

Field-Based Learning Programme

After checking in at USIMA Campsite, our teachers welcomed the students with words of encouragement and motivation before the day's camp activities began. The evening concluded with a night walk along the jogging track around the campsite, where students relaxed, bonded with friends, and enjoyed time together.

CELEBRATING SUCCESS

REACHING FOR THE STARS: CELEBRATING ANGEL'S GYMNASTICS SUCCESS

Congratulations to Angel Wong Poe Syuen on her outstanding achievements in rhythmic gymnastics. Her dedication, talent, and determination have brought great pride to our school community.

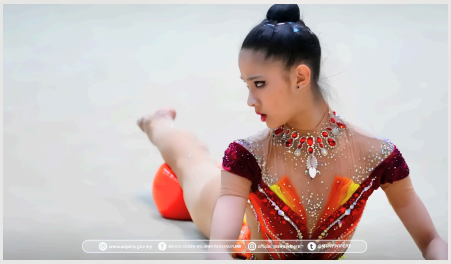

At SUKMA XXII Selangor 2026, held from 13–15 August, Angel proudly represented Wilayah Persekutuan Kuala Lumpur, earning a Bronze Medal in Overall Individual Gymrama and Gold Medal in Team Gymrama.

Angel also competed at the Petrina Cup 2026 (3rd Malaysia International Rhythmic Gymnastics Tournament), held from 28–31 July, securing Silver Medals in both Ball and Hoop.

These achievements reflect Angel's hard work, perseverance, and commitment to excellence. We are incredibly proud to celebrate her success and dedication.

Well done, Angel! Keep reaching for the stars and inspiring those around you!

CELEBRATING OUR CHINA SUMMER IMMERSION PROGRAMME GRADUATES!

What an incredible journey it has been! Our students have successfully completed the China Summer Immersion Programme, returning home with wonderful experiences, new friendships, cultural discoveries, and cherished memories that will last a lifetime.

We extend our heartfelt thanks to all our parents for placing your trust in us and supporting your children throughout this meaningful journey. Your confidence in us is deeply appreciated, and we are honoured to have been part of your children's learning and growth.

A big congratulations to all our young graduates! We are proud of each and every one of you. May this experience inspire you to continue exploring, learning, and discovering the world with curiosity, courage, and confidence!
