COVER PAGE DESIGN STATEMENT

The CREST cover page is designed by Mr. Eugene Nandakumar. The majestic tiger and a delicate wild orchid symbolize the profound balance and beauty found in nature. The tiger, with its strength and grace, represents the pursuit of courage and leadership, embodying the power to overcome challenges. In contrast, the wild orchid, with its intricate design and vibrant colors, reflects the delicate and unique aspects of creativity and growth.

Together, they remind us of the harmonious relationship between strength and fragility, urging us to cherish and nurture both in our educational journey. This artwork celebrates the spirit of exploration, resilience, and the blossoming of individual talents within our school community.

SCHOOL HISTORY

Started in January 2012 as an IGCSE homeschool, Campus Rangers educates students to academically excel while modelling discipline, commitment, spiritual, and moral principles in keeping with the values of a quality mission school. We aim to bring out the best in all children.

Our teachers are highly qualified with 3 to 40 years of experience in their respective subjects, and they practice excellent classroom management. They are superb teachers who inspire students to do their best.

Our students enjoy in-house science and computer laboratories. They can access contemporary sports facilities, and our classroom learning environment is conducive to learning. Throughout the year, CRIS holds inter-school sports competitions like Sports Day, sponsors many charity events and entrepreneurship projects, and organises local and overseas trips. Graduation & Awards Night caps off a year of interesting activities and student events.

We have successfully produced eight batches of IGCSE students with at least 30% obtaining scholarships from colleges, and 100% scoring sufficient credits to move on to tertiary education.

We generously donate to many overseas charities and missions in places like Sri Lanka, Myanmar, and Africa.

Vision

To provide comprehensive, holistic education to all students so that they can succeed according to their God-given talents and abilities in order to contribute to a global community.

Mission

To teach and train students to excel, while also modelling discipline, commitment, and spiritual and moral principles.

Ethos

Equipping students with holistic and quality education, impacting them with Godly values and practices. Transforming lives through love, care, and counselling.

Core Values

Excellence, discipline, mutual respect, love, care, spirituality, moral principles, and creativity.

FOUNDERS' MESSAGE

We are truly grateful and proud of our students, teachers, partners, and sponsors for standing strong with us, making it possible for us to achieve our learning and development goals for this year.

In addition to our Finnish Experience Modules, our aim now is to progressively bridge in STEM AI as a permanent fixture in our curriculum to continue to equip our scholars for the ever-changing 21st Century world.

We are extremely proud of our 2024 IGCSE graduates that produced a 100% pass rate collectively with 43% of our students obtaining straight A*/A and 92% scoring A*- C grades. We are absolutely certain that our Rangers Scholars will step out into the tertiary and vocational space future ready.

As our students prepare to graduate and move into their respective levels for the upcoming academic year, we are sure that they will be filled with excitement and anticipation to step into a fresh and new journey of opportunities.

To our parents, we join you in celebrating your child's success. As we move towards a new year, we are confident that we will continue to triumph and overcome all the challenges and obstacles, with your support, towards becoming a highly sought after learning institution.

To our 2024 Year 11 graduates, once again, all the best and congratulations!

PRINCIPAL'S MESSAGE

As we close another remarkable chapter in our school's journey, I feel immense pride and admiration for our teachers and students in Campus Rangers International School. This year's focus on humanism was embraced wholeheartedly by the entire school community. Your growth and resilience are evident in the outstanding IGCSE results, and your compassion shone through in non-academic events, particularly in your continuous fundraising efforts for the underprivileged. Together, we faced challenges, celebrated triumphs, and created lasting memories through the various activities in 2024—moments I personally cherish.

To the graduating class, this is the beginning of an exciting new journey. As you step into the next phase of your lives, I encourage you to carry with you the lessons you've learned, the friendships you've made, and the inner strength you've developed. The world is brimming with opportunities, and I have no doubt that you will not only meet them with the same dedication and spirit you've shown here but that you will also soar to new heights as you continue your life's adventures. For those returning next year, continue to uphold our values of respect, kindness, and hard work. Together, we will keep building a strong, supportive, and vibrant community filled with potential and possibilities.

Thank you for making this year unforgettable. It has been a privilege to be part of your journey, and I look forward to witnessing the incredible things you will accomplish in the future.

DEPUTY PRINCIPAL'S MESSAGE

Dear Students, Parents, and the Campus Rangers Community,

It is with great pride and joy that I pen this message for the 2nd edition of our school yearbook—a milestone that captures the spirit, achievements, and memories of our vibrant school community.

This year has been a testament to our collective resilience, creativity, and dedication. From academic milestones to artistic triumphs and from sports victories to acts of kindness, each moment reflects the heart and soul of Campus Rangers.

A special thank you to our teachers, students, and parents for their unwavering support in making this year truly remarkable.

To our students, let this yearbook remind you of the friendships formed, challenges overcome, and dreams pursued.

As we look ahead, may we continue to inspire one another to learn, grow, and achieve greatness together. Here's to many more editions of success and cherished memories!

With warm regards,

Eugene Nandakumar
Deputy Principal

Prefectorial Board

As the Prefectorial Board of 2024, we have had the privilege of being part of a school that fosters not only academic excellence but also the development of strong values and leadership. Our school's inclusive and nurturing environment has allowed us to grow and take on responsibilities with confidence. This year has been a remarkable journey where we've had the chance to contribute to the school community, uphold traditions, and lead by example. Each member of the Prefectorial Board has been a pillar of support, ensuring that the school's standards are maintained while promoting unity, respect, and school spirit.

Being the Head Prefect has been an incredible honor. It has given me the opportunity to work closely with an exceptional team, guiding and supporting them as we tackled challenges together. Leadership, I've learned, is about more than making decisions; it's about listening to others, motivating peers, and taking initiative for the greater good of the school. This role has pushed me to grow not just as a student but as an individual who can inspire and serve. It's about leaving behind a legacy that future boards can build upon, and I'm proud of what we've accomplished together this year.

The Prefectorial Board of 2024 has been instrumental in organizing and executing several key events that have had a positive impact on the school and beyond. We kicked off the year with the January Orientation, ensuring a smooth transition for new students. Our Charitable Hearts event raised close to RM2,000 for Suriana Home, a cause close to our hearts. We also organized a memorable Teachers' Day celebration, recognizing the hard work and dedication of our educators. A meaningful visit to Suriana Charity Home allowed us to connect with those in need, furthering our commitment to service. The Prefects Outing was another highlight, strengthening bonds and creating lasting memories. These achievements are a testament to the dedication and teamwork of the Prefectorial Board in making a difference.

As the Head prefect for 2024, I am now passing the baton of leadership to Daniel Ang

QUOTES

*Education's roots are
bitter but the fruit is
sweet*

To my lovely Teachers, Parents, and Students,

As the Head of Preschool, I draw upon my many years of educational experience, both as an educator and an administrator, and the support of an amazing staff of caring, talented educators, to create a unique academic environment, specially tailored for our young scholars.

Our learning environment creatively meets each child's specific needs, while allowing all students to come together for a cross-cultural experience that develops their social skills and teaches them how to build friendships. We provide a happy and safe environment within which our students can experience opportunities inside the classroom and beyond. We foster values of courtesy, consideration, and individual responsibility, and provide both challenge and support for our little ones. With gentle care, we help shape their young minds to be ready for the world that is waiting to meet them.

The achievement of our students is built upon the partnership between students, parents, and teachers. Through quality teaching, student support, and our commitment to extra activities, we create the building blocks for success that will give them an advantage in their later years. I firmly believe that with the excellent staff of Rangers Kidz, we have the ability to ensure that your child achieves his or her very best.

Regards,

From the desk of the Head of Primary...

As I take time to write this message, I find myself reflecting on the many moments that have made this academic year so memorable. I am filled with pride at the accomplishments and milestones we have achieved together. From creative projects in the classrooms to joyful moments during Sports Day, every day has been a testament to our vibrant school community. I would love to thank each one of you.

To the management team, your trust and support have eased my journey.

To my dedicated teachers and staff, your commitment to nurturing and inspiring young minds is the foundation of our success.

To my wonderful students, you have shown remarkable curiosity, resilience, and kindness that are needed to soar to new heights. Your hard work and enthusiasm have been inspiring, and it has been a privilege to watch you grow and thrive.

To all the supportive parents, your partnership has been invaluable in ensuring the success of every child. As we turn the page to 2025, I encourage all of you to continue cherishing friendships, embracing challenges with courage and celebrating each success, be it big or small.

Thank you for making this year unforgettable. Wishing you every success in the year ahead.

As we wrap up this school year, I want to pause for a moment to recognize the wonderful journey we've had together in 3 Joy. Toward the beginning of the year, we faced some challenges but watching each of you grow and develop has been truly inspiring. Your commitment to change and the respect you've shown me and each other has been remarkable. I'm proud of the progress you've made and I want you to know that your efforts are marvelous. Keep carrying this respect and positive attitude with you into the future. Thank you for a memorable year and I wish you all continued success and happiness in the coming year.

Dear 6 Joy-ers,

What a marvellous year we have had! Learning what it means to 'belong' to each other and to look out for each other. I hope you have all learnt the importance of 'the stronger helping the weaker', so that together we are all truly BETTER. Better than we would have been without each other. Thank you for the joy of being your homeroom teacher. We had some fun just guessing my age. And some thrills, making you 'strive to be taller', just so that you can graduate from Year 6. Seriously, my utmost joy would be to see each of you foster some lasting friendships among yourselves. May you forge ahead with great courage into the coming years!

I just want to start off by saying just how proud I am of each one of you no matter how much you may have struggled this year. In a way, this feels like an end of a journey. In no time at all you will be moving on to the next step in your school life. Although this isn't quite graduation, and we will still see each other in school, it can still be said that school will never be the same again. If I could leave you all with any advice, it would be to live your life with integrity. Be true to yourself. It can be tempting to take the easy way out, especially when no one is watching. But that is where your character will be developed and be shown. Hold on to your values and stay kind and compassionate even when it seems no one is. Value your friendships and do not give up on them. All the best for Y10 gang. I'll be cheering you on always.

Dear 10 Joy,

It's been amazing watching you grow this year. At the start, you were a bit quiet, but soon you found your voices and really stood out. You worked hard, not only in your studies but also in school activities, and even when faced with challenges, you came together as a team. That made me so proud. Each of you has amazing potential and I believe you'll continue to achieve great things. Keep believing in yourselves and giving your best in everything you do. Wishing you all the best for the future!

PRINCIPAL'S MESSAGE

Dear teachers, parents and students of Campus Rangers Learning Centre.

2024 has been a busy yet fulfilling year, seeing the students learn and progress not just in academics but more importantly in soft skills. Sports activities, celebrations, field trips, Kindness Month for Shelter Home or just a simple a-word-a-day activity helped to instill these skills in students.

The highlight at the end of the year was the Graduation and Award Night. Both the Primary and Secondary students presented a grand display of talent in the form of drama, song and dance to bring the night alive while at the same time celebrating the graduating students of year 6 and year 11.

The primary students' performance was based on the theme of resilience and overcoming challenges, exploration and discovery against the background of the jungle - The Heart of the Jungle. The secondary students focused on the theme of kindness-The Magic of Kindness. Both themes focus on values that we, as educators, want to impart to our students through another channel of teaching other than the formal classroom setting.

There are not enough words to appreciate all the teachers for their hard work. 2024 would not have reached such heights without every teacher's concerted effort. I believe when we choose to become a teacher, we know that our goal is not just to teach but to educate our students and make a difference in their lives. We did it again in 2024, and we will continue to do that in 2025 and beyond.

Kindness Campaign

SHELTER, HOME FOR CHILDREN

Saturday 20 July

During this PTM, we arranged a campaign which was done by our students. From selling t-shirts, guess the number of peas game and selling popular local food and beverage, all funds go to our Kindness Campaign for Shelter, Home for Children.

All in the name of kindness

The 2024 Year 9 Pre-IGCSE Camp builds on the success and positive feedback from last year's camp. All Year 9 students from CRIS and CRLC will participate in this camp, which is designed to prepare them for their IGCSE years by developing the skills and mindsets they need. This year's camp theme is "Resilience." Our goal is to equip participants with the necessary mindsets, skills, and strategies to turn challenges into opportunities for growth, thereby empowering them with the resilience they need for their IGCSE studies.

An Eternal Paradise For Your Beloved Companion

给牠永恒的天堂

We may never know for sure how or when the first pet came about, but one thing for certain is how deep a bond they have formed with us and how much meaning they have brought into our lives. It is in celebration of this loving bond between people and their pets that inspired the establishment of Nirvana's Pet Memorial Garden. Set in a quiet little corner, this unique final resting place offers plenty of ways to celebrate the fond memories of a beloved pet. It is indeed a true testament to a special unbreakable bond between pets and their owners.

在我们心里，总有个位置是留给一生陪伴我们的宠物。或许我们忘了牠何时出现在我们的生命里，但却清晰记得牠们陪伴我们度过每个喜怒哀乐的美好回忆。富貴山莊宠物墓园的成立是为宠物们打造一个既舒适又宁静的天地，让宠物主人为最心爱的宠物做最完美的告别，也让主人把对牠的爱延续下去。

A proud parent of a student who recently finished 5 yrs of school there. As a parent I think the school does its best in providing many different experiences and projects for its students. The experience & dedication and support during Covid was truly admirable. Academics is important but other development experiences are also emphasized esp cocurricular activities, school projects and even exposure to various university mini projects. There are also various school excursions organised for both primary & secondary. Most teachers are very professional, dedicated and also vastly experienced in teaching the respective subjects. Overall Im happy to have selected this school for my son and so happy to see them graduate today. Keep the flag flying high.

My daughter started 4 years ago from primary and is currently in secondary Year 8 (13 years old). Our experience in CRIS have been good overall. The CRIS staff including teachers, admin & the guards show a lot of care & guidance towards the students. The teachers guide them in their studies and are also very supportive and concerned of the students' well-being. Location wise, it is very convenient.

Both of my kids are in this School and most importantly they are happy with this School. Initially I've had sent my daughter to other well known school but then she was quite reluctantly to go to school everyday. And surprisingly she love to attend the class everyday (which I thought was this school are more academic type rather than play and learn, but was proved that I'm gotten wrong ideas) as it seems she quite enjoys her studies in this well-balance of play/learn academic School. She is currently a K1 Student. My son is in Year 8.

My kid is in year 4 now. More than just the quality of education, his overall well-being especially his health as a diabetic type 1 child has always been my concern. I must say that 1 of the main reasons that I am willing to travel a distance, n eventually move nearer to CRIS is because of the personal attention school had given to diabetic student like my kid. I can go to work feeling at ease that special attention is given in measuring the carb intake of the meals by the caterer and the willingness to go extra miles for daily communications via whatsapp. My kid enjoys his relationship with teachers, friends, and various food he loves such as Sushi, salmon, fish & chips, etc. given according to his insulin level. Overall, I have good experience communicating my child's needs with the school.

Contributor's Note

Retno Oktaviani

This Second Edition of CREST is representative of all the wonderful memories that are interwoven together into one piece but it would not have been possible without the contributions of the entire school.

The consistent and tireless effort of Retno Oktaviani, the managing editor of the Yearbook Committee, has resulted in a fine representation of Campus Ranger's life. She has composed an inspiring portfolio that represents our year well.

Campus Rangers Management would like to especially thank all our valued partners for their gracious support and sponsorship for our yearbook.

Your contributions have enabled us to produce a first class publication for our students and parents that will be kept as a cherished memento for years to come.

Your support is greatly appreciated and we can only hope that you continue to be part of our cause in the future.

Thanks for a great year!

Unadjustable tie,
kinds of shoes,
many sections,
many classrooms,
one best friend,
one favorite teacher or more,
definite bench partners,
too many crushes,
one school million memories.

Last day of school

All of them were going out with wet eyes... missing
the memories of the class... missing the food they
used to eat with their friends... that lame jokes...
crazy friends... immature arguments with loved
ones... last but not least they went out heart filled
with happiness
