

COVER PAGE DESIGN STATEMENT

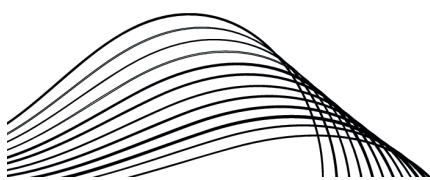

The cover of CREST 2025: Third Edition is a symbolic reflection of strength, direction, and the unbroken passage of time. Dominated by the commanding presence of the eagle, the artwork captures the spirit of vision and leadership qualities deeply rooted in the Rangers identity. The eagle's sharp gaze represents clarity of purpose and the courage to soar beyond limitations, while its intricate feather textures echo resilience and discipline.

Behind it, the fractured Roman numeral clock serves as a metaphor for time's relentless movement. It reminds us that every moment past, present, and future shapes who we become. The cracks do not signify weakness, but rather experience, growth, and the wisdom gained through challenges.

Beneath the eagle lies the compass rose, a universal emblem of direction and discovery. It anchors the composition, guiding readers toward knowledge, reflection, and new horizons. Set against the faint map background, the design speaks to exploration, learning, and the global perspective that our school community embraces.

*Together, these elements form a powerful visual narrative. The cover communicates that *CREST 2025* is more than a publication; it is a chronicle of journeys, achievements, and the collective spirit of the Rangers community as we continue to rise, navigate, and evolve.*

-Mr. Eugene Nandakumar

CAMPUS RANGERS INTERNATIONAL SCHOOL

We began creating new memories with Campus Rangers International School—moments filled with learning, growth, and inspiration. The year marked a fresh chapter where students embarked on meaningful experiences, built lasting friendships, and continued shaping their futures in a nurturing and vibrant school community.

SCHOOL

HISTORY

Started in January 2012 as an IGCSE homeschool, Campus Rangers educates students to academically excel while modelling discipline, commitment, spiritual, and moral principles in keeping with the values of a quality mission school. We aim to bring out the best in all children.

Our teachers are highly qualified with 3 to 40 years of experience in their respective subjects, and they practice excellent classroom management. They are superb teachers who inspire students to do their best.

Our students enjoy in-house science and computer laboratories. They can access contemporary sports facilities, and our classroom learning environment is conducive to learning. Throughout the year, CRIS holds inter-school sports competitions like Sports Day, sponsors many charity events and entrepreneurship projects, and organises local and overseas trips. Graduation & Awards Night caps off a year of interesting activities and student events.

We have successfully produced twelve batches of IGCSE students with at least 30% obtaining scholarships from colleges, and 100% scoring sufficient credits to move on to tertiary education.

We generously donate to many overseas charities and missions in places like Sri Lanka, Myanmar, and Africa.

Vision

To provide comprehensive, holistic education to all students so that they can succeed according to their God-given talents and abilities in order to contribute to a global community.

Mission

To teach and train students to excel, while also modelling discipline, commitment, and spiritual and moral principles.

Ethos

Equipping students with holistic and quality education, impacting them with Godly values and practices. Transforming lives through love, care and counselling.

Core Values

Excellence, discipline, mutual respect, love, care, spirituality, moral principles, and creativity.

Philosophy

No One Is Left Behind

FOUNDERS' MESSAGE

There are no words sufficient to express how immensely proud we are of our incredible students and dedicated teachers for making this schooling year yet another fruitful and fulfilling one. Your unwavering support, resilience, and shared commitment to a better tomorrow have been the cornerstone of our continued success, empowering our school to achieve the goals we set out with purpose and passion.

This academic year saw extraordinary achievements both within and beyond the school, showcasing the remarkable dedication, talent, passion, and perseverance of our phenomenal students.

Academically, our IGCSE Class of 2025 achieved strong and commendable results in the May/June series. This reflects our students' commitment, our teachers' dedication, and the high standards of teaching and learning at Campus Rangers.

As we look forward to the new academic year, excitement fills our halls. We anticipate welcoming progressing students into their next levels, witnessing their fresh perspectives and unwavering determination as they embark on a new chapter filled with greater opportunities and personal growth.

To our parents, thank you for your trust, and steadfast support. With your continued collaboration, we are confident we will rise above challenges and strengthen our standing as a highly sought-after institution.

To the Campus Rangers Class of 2025, congratulations on a year of extraordinary achievement. May your journey ahead be filled with purpose, growth, and limitless success!

Best regards,
Jason Ho
Founder

PRINCIPAL'S MESSAGE

Together We Grow

I thank God for 2025 — a year filled with growth, learning, and blessings. It has reminded us of strength, grace, and the incredible power of working together.

Our students have shown remarkable resilience in adapting to change — embracing new teachers, new styles, and new challenges with courage. Your openness to learning from one another reflects the true spirit of inclusivity — finding strength in our diversity and unity in our shared purpose.

To our teachers, thank you for your dedication and belief in every learner. You have created classrooms where every student feels valued, supported, and inspired to reach their potential.

As we look ahead to 2026, may gratitude fill our hearts. Let the lessons of the past remind us that together we are stronger, and may hope and courage guide us forward.

Every student from Early Years to Year 11 have truly made us proud beyond words. Continue to carry the light of inclusivity wherever you go, and may God bless each of you in the journey ahead.

Warmest regards,
Angie Chong

“

“Education is not the learning of facts, but the training of the mind to think.”

— Albert Einstein

PRINCIPAL- DESIGNATE'S MESSAGE

As I reflect on this academic year, I am filled with gratitude for the journey we have taken together as a school community. I thank God for His guidance, strength, and grace throughout this year for every opportunity, every challenge that shaped us, and every moment that allowed us to grow. Each day has been a reminder of why I chose this path to guide, to inspire, and to walk alongside young learners as they discover their strengths and shape their futures. Watching our students grow in confidence, character, and creativity has been one of the greatest joys of my role. Their resilience, curiosity, and willingness to explore new possibilities continue to inspire me as an educator and artist.

Education, to me, is not simply about lessons in a classroom; it is about nurturing hearts, shaping values, and empowering individuals to believe in their own potential. I am proud of every student for their perseverance and achievements, both big and small. May the memories created this year remind you of how far you have come and how much more you are capable of becoming.

As we close this chapter and look forward to new beginnings, I hope each of you continues to step forward with courage, kindness, and purpose. The future is yours to create boldly and beautifully.

Regards,

Eugene

“
Education is the art of turning
potential into purpose.”

HOp

HEAD OF PRIMARY

As we close another memorable school year, my heart is full of gratitude for the wonderful Primary School community we are blessed to have. This year's theme, "Inclusivity – Together We Shine," reflects the very heart of who we are at our international school: a place where every child is valued, every voice is heard, and every learner has a place to belong.

Our students have shown that when they embrace one another's strengths, respect differences, and support each other through challenges, they grow not only as individuals but as a united community. In classrooms, on the field, in performances, and through daily acts of kindness, they have demonstrated what it truly means to shine together.

To our devoted teachers and staff, thank you for the love, patience, and encouragement you pour into our students. Your care creates a nurturing environment where every child feels seen, supported, valued and included.

To our parents, thank you for partnering with us and entrusting us with your children's learning journey. Your support strengthens the inclusive environment we strive to uphold.

And to our wonderful students—your smiles, your courage, and your friendships brighten our school every day. Continue to embrace one another with kindness and confidence. Remember that your uniqueness is your gift, and when we bring all our gifts together, we create something truly beautiful.

Here's to another year filled with joy, growth, and shared achievements. Thank you for making our school a place where, truly, together we shine.

Best regards,

“

*"Never leave what you can do
today till tomorrow"*

HOP

HEAD OF PRESCHOOL

Every day in our classrooms is an opportunity to build strong foundations, not just in literacy and numeracy, but in kindness, resilience, and curiosity. This year, I take pride in reaffirming our belief in the power of early education and channelling boundless energy of our young learners.

Pictures are the treasured memories of the past, and every page of this yearbook is a vibrant reflection of the growth, laughter, and productivity we shared throughout 2025.

At preschool, we truly thrive because of the incredible community that surround us.

Thank you to our hardworking teachers for their dedication, patience, and unwavering compassion; they truly make the magic happen every day. And thank you to the ever supportive parents for your active involvement, trust, and continuous support. This essential partnership is what makes Rangers Kidz such a nurturing and effective environment.

To our graduates K2, I encourage all of you to carry the excitement and confidence you gained here into your next big adventure. The world is waiting for your unique light!

To our Nursery & K1 children, keep asking questions, keep exploring, and never stop believing in the magic of your own potential. You are bright, capable, and loved.

Embrace the challenges ahead, for within them you will find your greatest chances to learn, to lead, and to shine brightly.

Best Regards,

“

SUCCESS STORY

Campus Rangers

INTERNATIONAL SCHOOL & LEARNING CENTRE

Campus Rangers firmly believes that every student carries a unique potential, and we take great pride in recognizing their achievements both inside and outside the school community. Whether students excel academically, demonstrate leadership, or shine in sports and the arts, we celebrate their efforts wholeheartedly. Their successes reflect not only individual talent and dedication but also the supportive environment we strive to create.

We are committed to providing continuous encouragement and meaningful opportunities for students to grow. By offering platforms for competitions, performances, and community involvement, we ensure that every learner has the chance to challenge themselves, gain confidence, and showcase their abilities. Campus Rangers stands beside our students every step of the way, guiding them as they pursue excellence and discover new strengths.

Our mission is to nurture capable, confident individuals who are prepared to meet real-world challenges. When students succeed, it inspires their peers and strengthens the entire school community. That is why we remain dedicated to supporting their ambitions, celebrating their victories, and helping them shine wherever their passions lead them.

SUCCESS STORY

MSSD DISTRICT LEVEL CHESS COMPETITION 2025

CRIS Primary and Secondary students participated in the District Chess Competition from April 17–23, 2025, demonstrating strong skills and sharp tactical thinking against players from public and international schools in Bangsar. This valuable experience strengthened their sportsmanship and growth. Special thanks to Coach Mr. Collin for his guidance and dedication.

14TH SILENT KNIGHT KARATE CUP 2025

From 25–27 April 2025, the 14th Silent Knight Karate Cup brought together skilled young athletes for an exciting competition. During this prestigious event, Zayden Riad Lee (5 Joy) showcased remarkable focus and discipline, securing an impressive 3rd place in the under-30kg category.

Organized by the Malaysia Karate Federation (MAKAF), the tournament provided an excellent platform for emerging talents. We extend our heartfelt congratulations to Zayden for his outstanding achievement and commend him for representing our school with dedication, perseverance, and admirable sportsmanship. His success is a testament to his hard work and serves as an inspiration to his peers.

KANGAROO MATH COMPETITION PRIZE GIVING

The Kangaroo Math Competition provides students with valuable opportunities to build strong problem-solving skills while sharpening their logical and creative thinking. Congratulations to our brilliant Math Wizards for their dedication and impressive achievements!

SUCCESS STORY

MSSPWKL STATE LEVEL SWIMMING COMPETITION 2025

Isaac Koh (6 Hope)

CRIS Primary and Secondary students participated in the State Swimming Competition from April 14–16, showcasing strong skill and determination. We proudly celebrate Isaac Koh's gold, silver, and bronze achievements, as well as Natalie Cheng's impressive fourth-place finish. Congratulations to our talented swimmers for their outstanding performances.

PENANG INVITATIONAL JICA JUDO CHAMPIONSHIP 2025

We proudly applaud brothers Takushi and Soshi Takahashi for their achievements at the Penang Invitational JICA Judo Championship 2025. Takushi won Category B (38kg), while Soshi finished as 1st Runner-Up. Congratulations to both!

ESU - TAYLOR'S COLLEGE PUBLIC SPEAKING COMPETITION

A moment of great pride swept through our school community this year—a milestone that reflected not only an individual triumph, but also the impact of vision, preparation, confidence, and dedicated mentorship. One of our own students, Chreeshveeran S. Ramesh from year 10 Hope, was crowned the National Public Speaking Champion.

He went on to represent Malaysia at the International Public Speaking Competition in London from May 12 to 17, 2025. Competing against 221 students aged 16 to 20 nationwide, he delivered an exceptional speech on the theme "We Know What We Are, But Not What We May Be," a meaningful line from Shakespeare's Hamlet.

SUCCESS STORY

2025 ASIAN RHYTHMIC GYMNASTICS CHAMPIONSHIPS, SINGAPORE (16-18 MAY)

Campus Rangers International School proudly congratulates Angel Wong for her outstanding performance at the 2025 Asian Rhythmic Gymnastics Championships in Singapore. Competing in the Junior Individual Hoop, she secured a Top 6 in qualifications and finished Top 7 overall. Angel's dedication, skill, and perseverance have brought honour and inspired us all.

ISAAC KOH MAKES WAVES AT MSSM SWIMMING COMPETITION 2025

We are proud to celebrate Isaac Koh's remarkable achievements representing Wilayah Persekutuan at the MSSM Swimming Competition (24-28 May 2025, Pusat Akuatik MJB, Johor Bahru). Isaac earned a Silver in the 4x50m Freestyle Relay and Bronze in the 4x50m Medley Relay, showcasing skill, determination, and team spirit.

GEMA INTERNATIONAL STUDENT SPEAKER COMPETITION

Annabelle participated in the GEMA International Student Speaker Competition, delivering a well-articulated speech on "Reading in the Digital Age." Highlighting the balance between digital convenience and reflective reading, she confidently shared her ideas and earned a Certificate of Participation.

SUCCESS STORY

NICOLE SHINES GOLD AT INTERNATIONAL DANCE COMPETITION 2025

We are delighted to celebrate Nicole's exceptional success at the Malaysia Challenge Cup Dance Competition (MCCDC) on 1st June 2025, held at Kuala Lumpur Performing Arts Centre. Competing against dancers from Malaysia, Thailand, the Philippines, and India, Nicole won Gold in both Troupe (Ages 16–19) and Lyrical Solo (Ages 16–19) performances, bringing immense pride to our school. Congratulations!

GOSHIN RYU KARATE TOURNAMENT 2025

On 14 June 2025, CRIS students competed in the Selangor Goshin-Ryu Karate Tournament, showcasing skill in Kata and Kumite. Nine participants earned multiple medals, demonstrating dedication, focus, and impressive performances among karatekas from various dojos.

THE MSSD ARCHERY TOURNAMENT 2025 WOMENS CATEGORY

The MSSD Archery Tournament 2025, held from 16–20 June at SMK Desa Perdana, saw CRIS proudly represented by Ivanka Cheng (U18 Women) and Tsang Hoi Yin (U15 Women). Ivanka earned multiple medals, including overall Silver, while Tsang Hoi Yin demonstrated resilience and strong performance across all rounds. This tournament celebrated perseverance, skill, and teamwork, reflecting the true CRIS spirit. Congratulations to our archers on their remarkable achievements!

CRIS KARATE STARS EXCEL AT INTERNATIONAL STAGE

We celebrate Zayden and Ian's impressive performances at the 24th Milo International Open Karate Championship! Zayden won gold, Ian silver, reflecting their disciplined training, determination, and CRIS's commitment to nurturing talent. Congratulations, and best wishes for future competitions!

ROBOROAZ ROBOTICS COMPETITION

Kaesha, Charan, and Benstyne showcased exceptional talent at RoboRoarz Malaysia 2025, hosted by APU, competing against teams from 16 schools. Their skills earned podium finishes: 2nd in Robotic Pilot Challenge, 2nd in Autonomous Robot, and 3rd in Imaginary Coding. Congratulations to the team on this impressive achievement!

VALORANT E-SPORTS TOURNAMENT

Kayley Chia Mellon, Pang Yee Xuan, Wong Jun Heng, Choo Jayhin, Ng Jin Herng

Xoee Chan, Ng Seng Chuan, Cheah Feng Tian, Levi Pang, Daniel Ang and Ryan Ng

Eleven students from Rangers International School competed in the Valor Vanguard tournament, hosted by Sri Desa International School on 9–10 August. Two teams, Gaming Gamers and Goofy Gamers, showcased impressive teamwork and strategy in Valorant. Gaming Gamers won the championship, while Goofy Gamers placed third. The event highlighted the students' talent, discipline, and passion for esports.

SUCCESS STORY

NEXSTAR INTERNATIONAL RG COMPETITION 2025

We are proud to share the recent achievements of Lim Meridyth and Soo Jie Lin at the NEXSTAR International RG Competition 2025 - Shine Cup, held from 8th to 10th August 2025 at Stadium Juara, Kuala Lumpur.

JUNIOR team GEX - 10 CLUBS

Team A - Lim Meridyth (8 Hope) and Soo Jie Lin (7 Hope) - 1st place

Team B - Lim Meridyth (8 Hope) and Soo Jie Lin (7 Hope) - 2nd place

SHINE CUP KOREA 2025

Congratulations to Angel Tan's recent achievements at the Shine Cup Korea 2025, held from 30th July to 5th August 2025:

Angel Tan Yonn Yee (Y7 Joy)

Clubs - 1st placing

Ribbon - 4th placing

Ball - 4th placing

Hoop - 8th placing

IAA - 1st placing

4TH JOHOR PRESIDENT CUP KARATE CHAMPIONSHIP

Congratulations to Ian Yap Shin Zer and Zayden Riad Lee for their remarkable success at the 4th Johor President Cup Karate Championship on 23rd August 2025 in Johor Bahru! Ian won gold in the 8-9 years, above 25kg category, while Zayden claimed gold in the 10-11 years, below 30kg category. Well done to both!

SUCCESS STORY

BRILLIANT CUP 2025 RHYTHMIC GYMNASTICS INTERNATIONAL COMPETITION

We are delighted to celebrate our students' success at the Brilliant Cup 2025 Rhythmic Gymnastics International Competition in Shanghai, China, from 24-29 July. Their talent, dedication, and hard work shone on the international stage, earning us immense pride in their exceptional performance and sportsmanship.

MSSWPKL ARCHERY

We are thrilled to celebrate Ivanka's achievement, securing 3rd place in the team event at the MSSWPKL Archery competition.

Her success reflects her dedication, perseverance, and commitment, as well as the power of teamwork throughout the tournament.

SUCCESS STORY

A DAY WHERE MEDICINE BECOMES ART AT IMU BUKIT JALIL

On September 27, our students participated in an inspiring event, "A Day Where Medicine Becomes Art," hosted by IMU Bukit Jalil. Through creative challenges in Anatomy Body Art, Bodies in Motion, and the Bio Motion Challenge, they achieved outstanding success. Our teams secured 1st and 2nd place awards across categories, reflecting exceptional creativity, teamwork, and dedication. Congratulations to our students for proudly representing the school with passion, excellence, and innovation.

STEAM AHEAD 2025

At STEAM AHEAD 2025, we proudly celebrate our secondary students, Lim Xin Yi and Koh Zi Kei, for their remarkable achievements at the Vanda International Junior Science Olympiad (VIJSO) in Shenzhen, China. Representing Team Malaysia, they earned silver team awards and bronze individual awards, demonstrating excellence in science, teamwork, and dedication. Congratulations on this outstanding international success!

STORYTELLING COMPETITION IN COLLABORATION WITH METRIC OPTIC GROUP (MOG)

On 27 September, CRIS held a storytelling competition in collaboration with Metro Optic Group (MOG) to promote eye-health awareness among young children. Students spent months preparing scripts, props, and costumes with their teachers, overcoming busy schedules and gaining valuable stage experience.

Their teamwork, creativity, and perseverance shone throughout the event. Winners received cash prizes, and all attendees enjoyed free eye tests from MOG. We are proud of every participant for their courage and dedication.

SUCCESS STORY

MSSM RHYTHMIC GYMNASTICS, KUCHING SARAWAK

From 14-17 September, our outstanding students proudly represented the school at the Kejoanan Gimrama Majlis Sukan Sekolah Malaysia 2025 in Kuching, Sarawak. Competing with remarkable grace, strength, and determination, they demonstrated impressive discipline and passion in every routine. Their dedication was evident throughout the event, and their performances were truly inspiring.

We are incredibly proud of their hard work and commitment, as they shone brilliantly on the national stage.

7TH INTERNATIONAL HEROS 2025 TAEKWONDO CUP

At the 7th International Heroes 2025 Taekwondo Cup, Kong Xin Yu delivered an exceptional performance and secured first place. His discipline, speed, and determination shone throughout the competition, earning him a well-deserved victory and making us extremely proud of his achievement.

SUCCESS STORY

SUMMIT USJ RAPID CHESS TOURNAMENT

At the recent Summit USJ Rapid U1800 Chess Tournament, our young champion Noah won gold in his age category, showcasing sharp strategy and precise execution.

Guided by Coach Colin, he pushed his limits, demonstrating strong tactics and composure in complex positions. This well-earned victory highlights Noah's dedication and marks an exciting milestone in his chess journey.

ROCK CLIMBING COMPETITION

Tasha Prianka a/p Sothipathy delivered an outstanding performance at the 2025 rock climbing event, securing a well-deserved first place. Her strength, focus, and determination were evident in every climb as she tackled each route with confidence and precision. Tasha's impressive victory reflects her hard work and passion for the sport. Congratulations on an incredible achievement!

Congratulations to all Campus Rangers students for your outstanding achievements both inside and outside of school. Although we are unable to mention every name individually, please know that we recognize and appreciate each one of you. Your dedication, hard work, and passion continue to make us proud. We celebrate your successes—big and small—and remain committed to supporting you in every step of your journey. Keep striving, keep growing, and keep shining!

EVENTS

Campus Rangers

INTERNATIONAL SCHOOL
& LEARNING CENTRE

At Campus Rangers, we believe strongly in developing a wide range of learning skills beyond traditional academics and classroom lessons, aiming to provide a holistic and engaging educational experience that helps students explore their abilities, build confidence, and grow in meaningful ways. To support this vision, we organize enriching activities throughout the year, including field trips and educational excursions that help students connect classroom learning to real-life situations while encouraging curiosity and practical understanding. We also hold Sports Day to teach teamwork, perseverance, and healthy competition, as well as International Day, which exposes students to diverse cultures and promotes global awareness and respect for differences. In addition, our annual Art and Music Festival allows students to express their creativity through singing, skits, dancing, poetry, or other artistic performances. Through these varied experiences, Campus Rangers strives to nurture well-rounded learners equipped not only with strong academic foundations but also with essential life skills that prepare them for future challenges.

ORIENTATION DAY

*Discover,
connect, belong*

Orientation Day at Campus Rangers International School was filled with energy and excitement as new and returning students explored their classrooms, met their teachers, and made new friends. Fun icebreakers and activities helped everyone feel at home, setting the stage for a confident and successful start to the new school year.

Campus Rangers Learning Centre provides a memorable, teacher-led orientation day. During this event, our dedicated and passionate educators share valuable insights, offering inspiration and guidance to help students navigate the year ahead. It's an opportunity for students to connect with their teachers, gain motivation, and prepare for a successful academic journey.

ORIENTATION DAY

*New beginnings,
endless possibilities!*

January 6th 2025

First Day at School

The first day at Campus Rangers International School was filled with excitement and joy for students from Nursery to Secondary. Secondary students organized fun "Get to Know" games, helping everyone bond and feel at ease. It was a great start to the school year, filled with smiles and new friendships!

January 6th 2025

First Day at School

The new school year kicked off on a high note with an uplifting assembly, setting an inspiring and positive tone for the months ahead. It was the perfect start, energizing everyone for the exciting opportunities and challenges the year will bring. We're ready for what's to come!

INTRODUCTION OF STEM

STEM—Science, Technology, Engineering, and Mathematics—is a dynamic, interdisciplinary field that nurtures critical thinking, creativity, and effective problem-solving. At the heart of our mission is the goal to inspire students to explore the exciting world of STEM and Artificial Intelligence (AI), equipping them with the essential skills needed for the future. STEM education goes beyond traditional learning by integrating these subjects through practical, hands-on experiences that encourage children to apply their knowledge to real-world challenges.

Engaging in STEM activities not only sparks curiosity but also strengthens creativity, resilience, and collaboration. Students learn to work in teams, communicate ideas clearly, and persevere through challenges. One key component of STEM is coding, which fosters logical reasoning and computational thinking—skills increasingly vital in today’s digital world.

Moreover, the combination of STEM and AI education enhances students’ analytical thinking, encourages ethical AI development, and prepares them for an increasingly AI-driven society. Through STEM, we empower the next generation of innovative thinkers, ready to shape and solve the problems of tomorrow.

Leadership Camp

Campus Rangers Learning Centre students participated in an exciting 2-day leadership camp, filled with teamwork, challenges, and lots of fun. The camp kicked off with a series of engaging team-building activities within the campus, designed to encourage collaboration and develop essential leadership skills. Through these activities, students had the opportunity to strengthen their problem-solving abilities, improve communication, and learn the importance of working together to achieve common goals.

The experience wasn't limited to campus grounds; students were also given a mission that took them outside, requiring them to apply their teamwork skills in real-world scenarios. This challenge tested their adaptability, creativity, and decision-making under pressure. It was an opportunity for students to step out of their comfort zones and face obstacles in a supportive yet competitive environment, fostering both personal growth and team cohesion.

By the end of the camp, students had developed stronger leadership qualities, built lasting bonds with their peers, and gained more confidence in their abilities. The camp provided a transformative experience that not only equipped them with valuable skills but also created unforgettable memories, leaving them empowered and prepared for the challenges ahead.

CRIS

Leadership Camp

Monq Land, Negeri Sembilan

April 25th - 26th 2025

During the final weekend of April, Campus Rangers International School brought 61 students to MonQ Land in Negeri Sembilan for an exciting, inspiring, and educational camp designed to shape students with leadership potential into confident, capable leaders. The campers were divided into tribes, where they took on leadership roles and guided their teammates through a variety of group activities. These challenges required collaboration, trust, and resilience—helping students recognize their strengths, support others, and grow as individuals.

From navigating obstacle courses to showcasing creative tribe performances and bonding around campfires, every moment was crafted to be both memorable and meaningful. As night fell, students lay beneath the stars, enjoying a rare and peaceful break from the fast-paced city life. By the end of the camp, many students stood taller, proudly calling themselves leaders.

This transformative weekend strengthened their character, built lasting friendships, and equipped them with essential life skills. The students returned home more resilient, motivated, and prepared to face future challenges with confidence and courage.

At Campus Rangers, we believe in unlocking the potential within every child. Through experiences like these, we empower the next generation—because today's children are tomorrow's leaders, and their journey begins with belief, opportunity, and guidance.

CRIS

Leadership Camp

The "Empower Every Voice" leadership camp aims to inspire and develop student leaders by equipping them with essential leadership skills and the confidence to make a positive impact. This camp focuses on promoting inclusivity, encouraging students to listen, collaborate, and lead with empathy within their school communities. Through interactive workshops, dynamic team-building exercises, and insightful talk sessions, participants will strengthen their communication, critical thinking, and decision-making abilities. The experience is designed to nurture a new generation of thoughtful, capable leaders who value diverse perspectives and are committed to creating a more inclusive and supportive school environment for all.

EMPOWER
every voice

STUDENT TESTIMONY

This was my very first Leadership Camp as a secondary student! I was so excited for it that I had already packed my bags two weeks before the camp! The activities hosted by the teachers and seniors were lots of fun as well.

I loved how welcomed I felt in this new environment. My favorite part was definitely when we discussed rules to enforce and ways to improve the school when we returned. It gave me a chance to express my thoughts and ideas. Everyone was so friendly and supportive!

Soo Jie Lin (7 Hope)

STUDENT TESTIMONY

Leadership camp was truly an eye-opener for me, transforming my approach to leadership.

In the first session, we learned why every voice matters. As a leader, you must listen to everyone, encourage growth, and empower others to speak up. In the second session, we explored the importance of trust—not just among leaders, but within the entire team. This session had a significant impact on me as I realized that trust, once broken, takes time to rebuild. In the future, if someone breaks my trust or if I break theirs, I will need to apply what I learned from the camp to regain it.

I found the third session especially important, as we live in Malaysia—a diverse country. This session focused on diversity, emphasizing that as leaders, we must ensure our school remains a welcoming environment for everyone. Race or religion should not be a barrier because we are all human, and we must learn to understand and respect each other's traditions and cultures.

On the second night, all the leaders organized an event called Shine Bright. This activity immersed us in the stress and preparation that our teachers go through when organizing school events. It also taught us to appreciate the time and effort they put into these occasions. During the preparation, I deeply admired my seniors—the Year 10s and 11s—who ensured everything was in order. From managing emcees to handling space arrangements, they made sure the event ran smoothly and almost flawlessly. It was a fun night, showcasing our talents with our teammates.

After Shine Bright, I'm certain that all the leaders are eager to organize a major event for our school, such as an Art and Music Festival, Teacher's Day, Malaysia Day, and many more. I'm excited to take part in planning the next event and grateful that our teachers can finally take a well-deserved break, as school events often happen back-to-back. With their guidance, I am confident we can bring an amazing event to life.

Annabelle Ivan Tharmaraj (8 Hope)

Chinese New Year CELEBRATION

This year's Chinese New Year celebration at our school was a vibrant showcase of student dedication, teamwork, and cultural pride. After weeks of preparation and rehearsals, students delivered a series of captivating performances that reflected their hard work and passion. Highlights of the celebration included an energetic lion dance, a graceful umbrella dance, and heartfelt renditions of traditional Chinese songs. Every movement, rhythm, and note demonstrated the effort and commitment behind the scenes.

Teachers played an essential role by guiding and encouraging students throughout the preparation process, while the school supported the event with festive decorations and necessary resources, helping to create a joyful and immersive atmosphere. The enthusiastic applause from the audience added to the excitement, making students feel proud and appreciated.

Beyond the dazzling performances, the event was a meaningful celebration of Chinese culture, unity, and school spirit. It brought the community together in a memorable way and left a lasting impression on everyone who attended.

February 7th 2025

CRLC

Chinese New Year CELEBRATION

Our Learning Centre students celebrated Chinese New Year 2025 with vibrant enthusiasm, embracing the rich traditions and customs of this special occasion. The event featured a variety of captivating performances that showcased the incredible talent of our students. Traditional Chinese dances, lively music, and impressive martial arts displays created an exciting atmosphere that brought everyone together. In addition to the performances, students engaged in a range of cultural games, allowing them to immerse themselves in Chinese traditions while having fun. From chopstick challenges to puzzle-solving, these activities fostered teamwork and provided an enjoyable learning experience for all.

One of the highlights of the celebration was the dazzling fashion show, where students proudly showcased beautiful traditional Chinese attire, including qipaos and tang suits. The fashion show added an extra touch of elegance and flair to the event, with students embracing the rich heritage and symbolism of their outfits. Overall, the Chinese New Year celebration was a memorable day filled with learning, laughter, and a deeper appreciation for Chinese culture.

UNIFORM UNITS CAMP

KEM ALAM SEDAYU

The Uniform Unit Camps at Kem Alam Sedayu were filled with adventure and team spirit. Students hiked, played in the waterfall, built tents, and enjoyed a bonfire. They participated in physical exercises and team-building activities, strengthening their leadership skills and creating unforgettable memories in the great outdoors.

February 25th 2025

ESSENTIAL LIFE SAVING SKILLS TRAINING

Our students had the opportunity to gain valuable life-saving skills through an Emergency Life-Saving (ELS) training session, led by our certified AEMED instructor, Mr. Survinder. The hands-on training equipped students with the knowledge and practical skills needed to respond effectively in emergency situations. The session focused on CPR, the use of AEDs (Automated External Defibrillators), and techniques for handling choking incidents and anaphylaxis, making sure that students were well-prepared for a variety of emergency scenarios.

Under Mr. Survinder's expert guidance, students actively participated in real-life simulations, allowing them to practice critical skills in a safe and supportive environment. They learned how to assess a situation, perform CPR, and correctly use an AED to help save a life. The training also covered how to assist someone who is choking or having an allergic reaction, reinforcing the importance of staying calm and acting quickly during an emergency.

This hands-on experience not only empowered students with essential first aid knowledge, but also instilled confidence in their ability to take action during critical moments. By the end of the session, students were more prepared to respond with competence and composure in any emergency.

Educational Trip

Our trip to Henan, China, was an unforgettable journey filled with cultural discovery, historical exploration, and meaningful connections. The group of 16—comprising 11 students, 3 parents, and 2 dedicated teachers, Mr. Eugene and Ms. Tiew—set out on an adventure that left a lasting impression on everyone involved.

From the moment we arrived, we were warmly welcomed by our fantastic tour guides—Tiger, Gabriella, Dali, and JD—who ensured the trip was both enriching and enjoyable. We explored iconic sites such as the Shaolin Temple, where we were awed by stunning martial arts performances, and the Longmen Grottoes, home to awe-inspiring ancient Buddhist carvings. A hands-on session at a traditional woodblock printing workshop gave us a deeper appreciation for Chinese art and heritage.

But the experience extended beyond sightseeing. It was also a journey of friendship and personal growth. Our students had the invaluable opportunity to engage with local communities, share knowledge, and immerse themselves in Chinese traditions.

KL CITY TOUR

FIELD TRIP

March 26th 2025

Explore

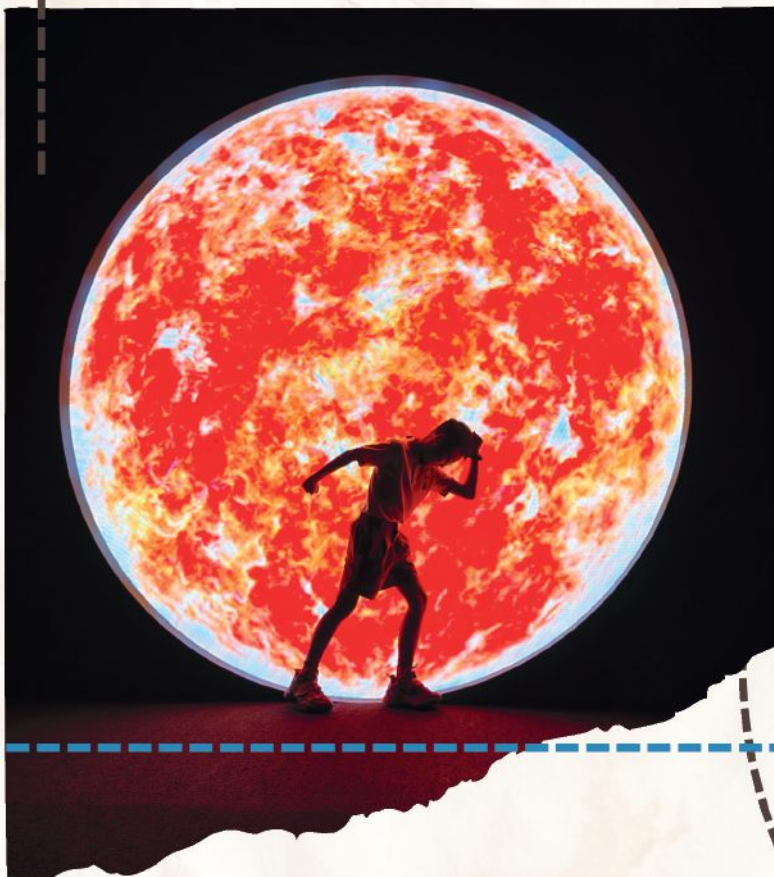

The Sultan Abdul Samad Building and Dataran Merdeka are two of Kuala Lumpur's most iconic landmarks. Sitting under the Malaysian flag at Dataran Merdeka felt both nostalgic and sweltering, but nothing beats the powerful moment of shouting "Merdeka! Merdeka! Merdeka!" to celebrate Malaysia's independence and honor Tuanku Abdul Rahman, our first Prime Minister.

We then visited Malaysia's first multimedia 3D art gallery, an immersive space that offered an unforgettable experience for both students and teachers. From the moment we entered, it felt like stepping into the surreal Garden of Eden — vibrant flowers, cascading waterfalls, and a touching scene of a mother elephant rescuing her calf. Next, we ventured into outer space, capturing silhouette shots with the sun, moon, and planets. This was followed by a mesmerizing world of geometry and lanterns, glowing in ever-changing colors. Our journey continued through a lush tropical rainforest, teeming with vibrant flora and fauna.

One of the most engaging activities was the interactive underwater zone, where students used drawing materials to design their own fish. These drawings were scanned and animated into the digital ocean, swimming alongside other sea creatures — a delightful blend of creativity and technology.

Finally, we entered a breathtaking 3D room that showcased scenes of the ocean, beaches, dolphins, whales, changing seasons, and falling stars in a starry night sky. It was a truly magical and immersive experience.

January 13th 2025

FIRE DRILL

Campus Rangers Learning Centre carried out a fire drill to help students and staff practise proper emergency procedures. Teachers guided everyone through the evacuation steps, ensuring students learned how to stay calm, follow instructions, and move quickly to the designated assembly point.

The drill was smooth and well-coordinated, giving students a clear understanding of the importance of safety and preparedness. This exercise strengthened our commitment to maintaining a secure environment and ensuring everyone knows how to respond effectively in an emergency.

March 27th 2025

FIRE DRILL

Campus Rangers International School conducted a fire drill to prepare students and staff for emergencies. The safety team led the exercise to practice evacuation procedures and increase fire safety awareness. When the alarm sounded, everyone evacuated calmly and quickly to designated assembly points, with teachers guiding the way and safety officers overseeing the process.

The drill was a valuable experience, teaching students to stay calm, follow instructions, and understand exit routes, while reinforcing preparedness and teamwork in emergencies.

International Day

CELEBRATION

On April 10, our school was filled with vibrant colours, diverse traditions, and a warm sense of community as we celebrated International Day. Guided by the theme *One World, One Family – Unity in Every Accent, Strength in Every Story*, the event reflected our strong commitment to inclusivity and global understanding.

Thanks to the combined efforts of students, teachers, and parents across both primary and secondary levels, the celebration became a memorable success. A total of nineteen countries were represented, including the USA, Brazil, China, Egypt, Thailand, South Korea, Germany, Greece, India, and many others.

Each booth beautifully showcased creative decorations, interesting historical and geographical facts, and unique cultural elements that brought every nation to life. One of the most popular highlights was the international food tasting, which gave everyone a chance to enjoy flavours from around the world.

The lively fashion show featuring traditional attire, along with cultural performances and interactive activities, added excitement and engagement throughout the day. We extend our heartfelt appreciation to everyone who contributed to making the event unforgettable.

- ONE WORLD, ONE FAMILY -

PTM1

April 11th 2025

Our first Parent-Teacher Meeting on April 11 offered a valuable chance for parents and teachers to discuss student progress, share insights, and set goals. These one-on-one interactions support academic and social development, address concerns early, and strengthen collaboration between home and school to ensure consistent support for each child's growth and success.

PTM2

July 25th 2025

The second Parent-Teacher Meeting (PTM) at Campus Rangers International School provided a meaningful platform for parents and teachers to connect and discuss students' academic progress for the second term. Teachers shared detailed insights into each child's achievements, learning habits, and areas for continued growth. Parents also had the opportunity to view a showcase of student science projects, proudly displayed to highlight creativity, critical thinking, and hands-on learning. This combination of academic discussion and project exhibition strengthened the partnership between home and school, ensuring parents gained a clearer understanding of their child's development and the learning experiences taking place in the classroom.

PTM 2

The second Parent-Teacher Meeting (PTM) at Campus Rangers Learning Centre provided a meaningful opportunity for parents and teachers to connect and review students' academic progress for the second term. During these one-on-one discussions, teachers shared updates on classroom performance, strengths, and areas for improvement, while parents were able to ask questions and gain deeper insight into their child's learning journey. This collaborative exchange helped reinforce the partnership between home and school, ensuring that each student receives the support and guidance needed to continue progressing confidently throughout the year.

UMPIRES: LIM XIN YEE

Charity to Persatuan Kanser Cares Malaysia

On 16 April 2025, Campus Rangers had the honour of joining hands with PPUM and the CARES organization for a special cheque presentation ceremony. Represented by our enthusiastic students and the ever-dedicated Ms. Leela, we proudly presented a donation of RM2,800, funds raised entirely by our students through their own initiatives and effort.

The highlight of the day was the mock cheque handover, received with warmth and gratitude by CARES President Ms. Diana Wong, alongside Dr. Foo and the CARES team.

It was more than just a ceremony, it was a powerful learning experience. Mdm Hoon shared an inspiring briefing about CARES, their mission, and the important work they do to support cancer patients and their families. Dr. Foo followed with a deeply educational session on cancer, its various types, treatment methods, and the emotional and physical journey of those affected.

We are beyond proud of our students for stepping up to support such a vital cause. Thank you to CARES and PPUM for welcoming us, and to our students and teachers for showing that compassion, awareness, and action can come together to make a real difference.

ZOO NEGARA

FIELD TRIP

April 17th 2025

Venture

Our primary students had an unforgettable day at the zoo, embarking on an exciting journey to explore wildlife up close. They visited a variety of animal exhibits, learning about different species and their natural habitats. Throughout the day, students also participated in a fun activity where they collected stamps from different animal stations, making the learning experience interactive and engaging.

One of the most memorable highlights was meeting the Raja Muda of Selangor. He graciously shared his passion for wildlife conservation and engaged the students in meaningful discussions about protecting endangered species.

The day was not only educational but also inspiring, giving our students a deeper appreciation for nature and wildlife preservation. It was an experience they will treasure for years to come.

Lively

MOTHER'S DAY

Every mom is a unique miracle, filled with boundless love and infinite strength.
Thank you for all you do. Happy Mother's Day!

TEACHERS' DAY

On Teachers' Day, we reflect on the incredible impact that educators have on shaping lives. The dedication, passion, and care they show, day in and day out, not only foster learning but also inspire growth in ways that extend far beyond the classroom. Their unwavering support and commitment help guide students toward success, building confidence and encouraging curiosity. We are grateful for the teachers who go above and beyond, making a lasting impression on every student they encounter.

TEACHERS' DAY

The halls of Campus Rangers came alive with joy and appreciation as students, teachers, and staff gathered to celebrate Teacher's Day in a truly heartwarming event. The celebration featured a vibrant mix of student-led performances, including dramatic skits, soulful musical numbers, high-energy dance routines, and a beautifully harmonized a cappella performance—all crafted to honour the dedication and impact of our teachers.

Laughter filled the air during the crowd-favourite "Guess the Teacher" riddle game, which brought out the playful spirit in everyone. The entire campus buzzed with camaraderie, creating an atmosphere of gratitude and respect for the teaching community.

A special highlight of the day was the cake-cutting ceremony, joined by our esteemed founders, Mr. and Mrs. Ho, Principal Ms. Nirmala SS Nathan, Deputy Principal Mr. Eugene Nandakumar, and the entire teaching staff. As the cake was shared, it symbolized unity, appreciation, and the strong bond between students and educators.

The event served as a heartfelt reminder of the tireless dedication our teachers bring to shaping young minds. As educator Rita Pierson once said, "Every child deserves a champion"—and at Campus Rangers, our teachers continue to rise to that call every single day.

SEKINCHAN

FIELD TRIP

May 26th 2025

Our young rangers enjoyed an unforgettable day exploring the beauty and charm of Sekinchan. From vast golden paddy fields to refreshing coastal views, the trip offered a wonderful mix of fun, learning, and adventure. The journey began at Pulau Redang Beach (Sekinchan), where students soaked in the sun, felt the cool sea breeze, and enjoyed the peaceful scenery of the shoreline.

Expedition

The next stop was Ah Ma House, a favourite among the students. Filled with old-school snacks, vintage décor, and nostalgic treasures, the place gave them a glimpse into Malaysia's kampung heritage. It was a meaningful experience that connected them to stories and traditions from decades past.

They then visited Hay Cafe, a cosy spot surrounded by greenery and rustic ambience. Students relaxed, recharged, and enjoyed delicious local treats while taking in the natural surroundings. The warm, laid-back atmosphere made it a perfect break in the day's itinerary.

For our Business Studies students, the trip offered valuable hands-on learning. They interviewed local vendors and observed how small businesses operate within rural tourism and agriculture. This real-world exposure enriched their understanding of entrepreneurship, making the entire Sekinchan adventure both insightful and memorable.

Thriving

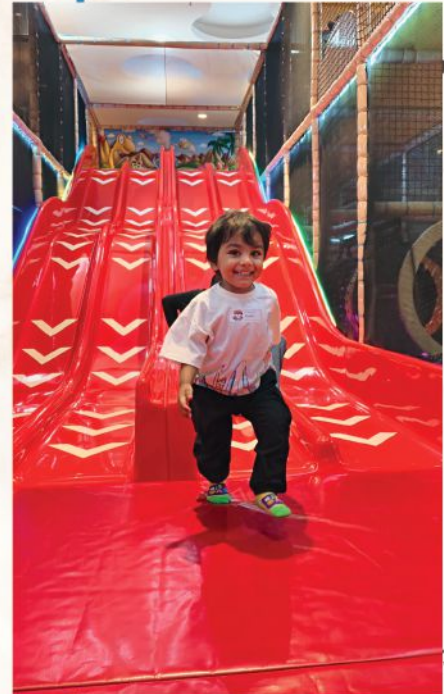

JUNGLE GYM

FIELD TRIP

June 26th 2025

Our field trip to Jungle Gym was a day full of excitement, laughter, and learning through play. The children were warmly welcomed by the Jungle Gym staff, who led an energetic warm-up to get everyone moving. They then participated in a balloon passing game, practicing coordination and listening skills under the facilitators' guidance, with their enthusiasm making it a joy to watch.

Explore

After the group activity, the children enjoyed free play, exploring the park with friends. They climbed, slid, and jumped on the trampoline, which proved to be a favorite. Their energy and joy were evident as they moved freely and tried new challenges together.

Imaginative play was also a highlight, with children taking turns as cashiers, shoppers, chefs, and customers in the mini supermarket and restaurant. The day ended with lunch, allowing everyone to relax and enjoy each other's company. It was a memorable trip filled with movement, creativity, and friendship.

Radiant

SNOWLIM WONDERLAND FIELD TRIP

July 3rd 2025

Venture

Winter arrived early for our Year 4 to 6 adventurers as they stepped into the magical, snow-filled world of Snowlim Wonderland in Seremban. The moment they entered the frosty park, excitement took over, setting the tone for an unforgettable day. Many students were thrilled to experience snow for the very first time, adding an extra touch of wonder to the trip.

From building impressive snow castles to gliding down icy slides, our students eagerly traded their school shoes for snow boots and embraced every moment of frosty fun. Laughter echoed through the park as friendly snowball fights broke out, and groups explored each winter-themed corner with wide-eyed curiosity. The entire experience brought out teamwork, creativity, and a joyful spirit among the children. Field trips like this not only provide play and discovery but also foster bonding, exploration, and memories that will last a lifetime.

Frosty

CRIS

July 18th 2025

CRIS STREET FEEDING DRIVE

An Experience That Opened Our Hearts

Campus Rangers Scout students took part in a street feeding initiative, experiencing lessons no textbook could ever provide. Walking the streets we usually pass by, they encountered men and women facing not only poverty, but also loneliness, illness, rejection, and loss. The Scouts distributed food, water, clothing, and essentials, but the true impact came from genuine human connection—listening, acknowledging, and seeing those often forgotten by society.

The experience was deeply moving. Some Scouts were brought to tears, overwhelmed by the harsh realities of life on the streets. Many stood in quiet reflection, processing the emotions stirred by each encounter. Comments like, “I didn’t know it was this bad,” echoed the profound effect the initiative had on them.

This program went beyond charity—it became a powerful lesson in empathy, compassion, and humility. It reminded everyone that small acts of kindness can brighten the darkest places, inspiring us all to continue making a difference.

Gardenia Factory

As part of our STEM Month celebrations, our pupils took part in an enriching educational visit to the Gardenia Factory in Shah Alam. The trip aimed to broaden their understanding of science and technology by giving them real-world exposure to food manufacturing processes.

Throughout the tour, pupils observed each step of bread production, from selecting raw ingredients to mixing, baking, packaging, and preparing products for distribution. They also learned about key industrial practices, including production planning, material handling, and the critical importance of food safety.

This hands-on experience enabled pupils to connect classroom scientific concepts with real-life applications in a meaningful and engaging way. We extend our appreciation to Gardenia for their warm hospitality and the valuable learning opportunity.

Shah Alam

July 18th 2025

PARENT APPRECIATION DAY

RANGERS KIDZ

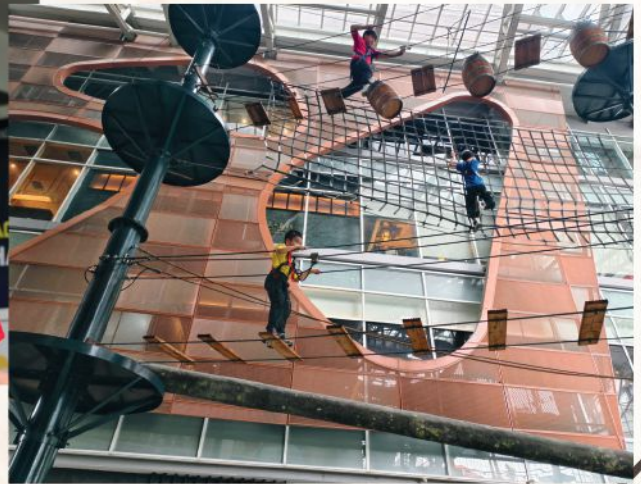

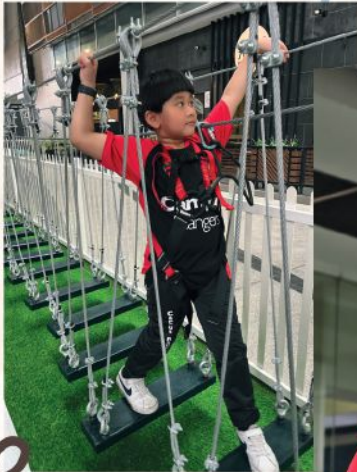

We had a joyful and heartwarming Parents' Day at Rangers Kidz, filled with meaningful moments. Children showed their appreciation by crafting gift trophies, presenting flowers, and treating their parents to breakfast. Events like this highlight the importance of home-school collaboration in nurturing young learners' confidence, security, and growth. Laughter, love, and shared moments made the day memorable, celebrating family bonds and the special partnership that helps our children thrive. A heartfelt thank you to all parents!

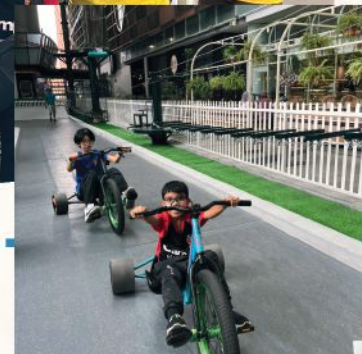

ESCAPE PJ

FIELD TRIP

July, 25th 2025

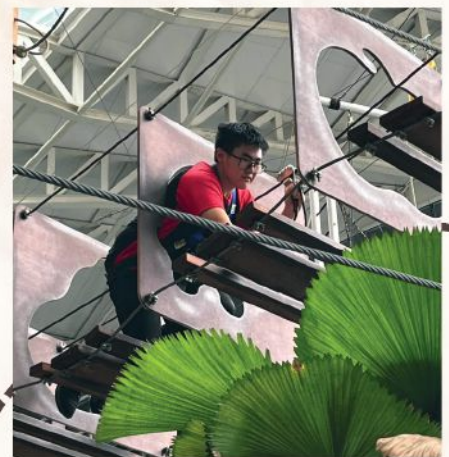

Explore

Campus Rangers Learning Centre enjoyed an adventurous day at Escape PJ. Among climbing walls, rope courses, trapeze swings, and trike rides, students traded equations for excitement and essays for exploration.

Each challenge encouraged courage, every laugh strengthened bonds, and every activity inspired growth. In this lively playground, students discovered lessons beyond the classroom—lessons of teamwork, resilience, and personal development.

Courage

SELANGOR FRUIT VALLEY

FIELD TRIP

July 26th 2025

Experience

Our Campus Rangers International School Primary students had a fun-filled and educational trip to Selangor Fruit Valley. The day began with feeding fish and visiting the petting zoo, where the children interacted with a variety of animals. These activities helped them learn about caring for animals while enjoying hands-on experiences that brought nature closer to them.

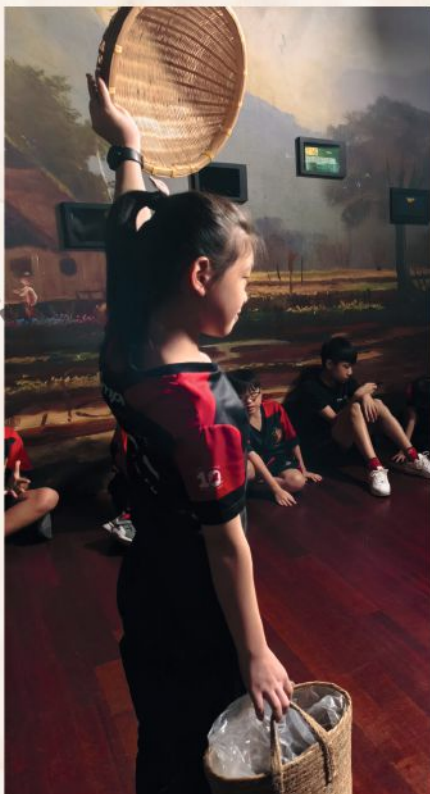

Afterwards, the students took a scenic bus tour around the valley, soaking in the lush greenery and fresh air. They also had the opportunity to feed ducks, adding to the excitement and learning about wildlife. Archery was another highlight, where students practiced focus, coordination, and patience in a safe and enjoyable environment.

The trip concluded with an exploration of the fruit farm. Students learned about the growth and harvesting of different fruits and even had the chance to pick their own. The experience was a perfect blend of learning, adventure, and outdoor fun, leaving the children with lasting memories and a deeper appreciation for nature.

NATIONAL ART GALLERY AND PLANETARIUM FIELD TRIP

July 27th 2025

Our Campus Rangers International School students enjoyed an unforgettable educational adventure at the National Art Gallery and Planetarium. They explored timeless works of art, sparking their creativity and encouraging them to see the world through the eyes of talented artists. At the Planetarium, they journeyed through galaxies and stars, discovering the vastness and beauty of the universe.

Acquire

The trip offered more than sightseeing; it inspired curiosity, encouraged thoughtful questions, and showed how learning can engage both the heart and mind. Students connected artistic expression with scientific exploration, experiencing firsthand how different fields can complement and enrich each other.

It was a day full of inspiration, imagination, and discovery. Experiences like this highlight the joy of learning and the excitement of exploring new ideas, blending art, science, and wonder into one memorable journey.

Expand

Rangers Camp

Our Rangers Camp, themed “Level-Up,” was an inspiring and refreshing experience for all participants. The camp aimed to help students deepen their walk with God by focusing on three key areas: biblical knowledge, faith, and love. Ps Matthew led the sessions, encouraging students to pursue spiritual growth with intentionality, dedication, and passion. His teachings left a lasting impact, inspiring everyone to reflect on their personal journey with Christ.

Beyond the meaningful sessions, the camp was filled with laughter, joy, and memorable moments. Students engaged enthusiastically in games and activities that promoted teamwork, camaraderie, and stronger connections within the community. These interactive experiences helped students build trust, develop friendships, and enjoy learning in a fun environment.

*Semenyih Eco Venture
Resort & Recreation*

July 27th 2025

SEMENYIH ECO VENTURE RESORT & RECREATION

Meal times were another highlight, offering relaxed opportunities for fellowship and sharing. Students enjoyed connecting with one another while reflecting on the day's activities, strengthening bonds both socially and spiritually.

Overall, Rangers Camp was an unforgettable experience that left students encouraged, inspired, and spiritually renewed. They departed with a sense of purpose, ready to "level up" in their personal journey of faith, love, and biblical understanding.

August 13th 2025

EDUCATION AND CAREER

The Higher Education and Career Day was successfully held on 13 August 2025 at the Campus Rangers school hall. The event featured 20 universities and higher learning institutions, each showcasing their academic programs, scholarships, and career pathways. It provided students with an excellent opportunity to explore a wide variety of post-secondary options.

Over 100 high school students from Campus Rangers International School and Campus Rangers Learning Centre attended, engaging actively with university representatives and career counsellors. They received valuable advice, asked questions, and gained a clearer understanding of their future educational and career possibilities.

These interactions allowed students to reflect on their interests and strengths, helping them make more informed decisions about their academic paths. The fair also encouraged early career planning and self-reflection, empowering students to take ownership of their futures.

Overall, the event successfully exposed students to diverse opportunities, equipping them with knowledge, confidence, and guidance to plan their educational and career journeys with purpose.

PATRIOTIC MONTH

Our school celebrated Patriotic Month from August 11 to September 12, and it was a truly meaningful and memorable period for everyone. The celebration began with a vibrant launching ceremony in the school hall, featuring a graceful traditional Malay dance and the uplifting moment of the national flag being raised with a helium balloon. It was a proud and inspiring start to the month's activities.

As the celebration continued, the patriotic spirit filled the school. Students enthusiastically took part in various competitions, including the Quiz, Treasure Hunt, and Wau Bulan Decoration Contest, each showcasing creativity and teamwork. It was wonderful to see students and teachers come together to express their love for Malaysia in so many different ways. The month concluded beautifully with traditional performances and a prize-giving ceremony that united everyone in celebrating our nation's pride.

CRIS & CRLC

Pre-IGCSE Camp

Our Year 9 students recently participated in the Pre-IGCSE Camp 2025, held across Gopeng, Kampar, and Ipoh, under the theme "Small Steps, Big Impact." Over three days, 54 students, accompanied by five teachers, embarked on a journey of discovery, teamwork, and personal growth, preparing themselves for the exciting yet challenging road ahead in the IGCSE programme.

small steps
BIG IMPACT

Gopeng, Kampar
August 22nd - 24th 2025

The camp combined adventure with reflection. From exploring Gua Tempurung to engaging in meaningful sharing sessions, students learned how small, consistent efforts can create lasting change in both academics and personal development. Activities were carefully planned to build resilience, strengthen friendships, and boost confidence, equipping students to face future challenges with courage. A highlight was the “Power of One Step” session with Mr Ivan Vincent, which encouraged students to recognise the significance of every small action, whether cheering a teammate, offering encouragement, or overcoming personal fears during outdoor activities.

Another memorable experience was the Art Therapy session, where students used painting, sketching, and crafting to visualise their aspirations. This activity encouraged self-reflection, creativity, and dreaming boldly, emphasising that the IGCSE journey is about more than exams—it is about shaping futures.

The camp concluded with students writing letters to their future selves, reflecting on their growth and the steps they would take moving forward. We are proud of their courage, teamwork, and creativity, proving that every “small step” truly leads to a “big impact.”

Merdeka Day

CELEBRATION

Campus Rangers Learning Centre Primary students celebrated Merdeka with a lively and meaningful event. The celebration was filled with excitement as students showcased their talents through energetic dance performances, soulful singing, and expressive poetry recitals. They also presented a creative skit that reflected the spirit of independence, highlighting the values of unity, courage, and patriotism. Adding to the festive atmosphere, a colourful fashion show celebrated Malaysia's diverse cultural heritage, allowing students to proudly display traditional attire from various states. The event not only entertained but also helped students understand the significance of Merdeka, fostering a sense of pride, community, and appreciation for the country's rich history and shared identity.

September 9th 2025

CRIS

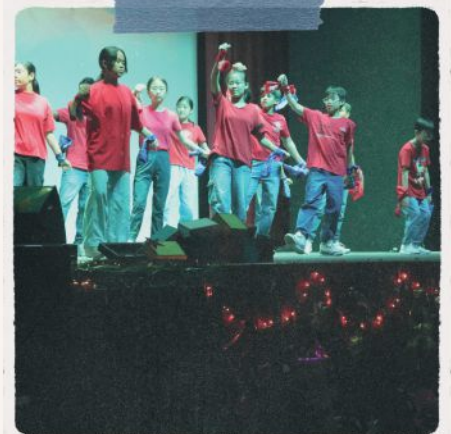

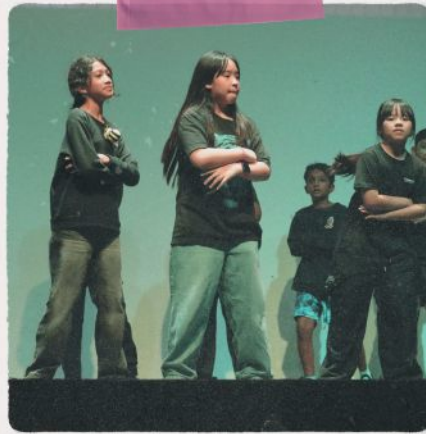

2nd Art & Music FESTIVAL

A CELEBRATION OF CREATIVITY

PULSE

Campus Rangers International School KL proudly hosted its 2nd Art & Music Festival 2025, a lively celebration of creativity and talent uniting students, teachers, parents, and special guests. After dedicated preparation, students performed with passion, resilience, and remarkable skill, reflecting the spirit of our school community. The festival featured an inspiring performance by legendary dancer Ms Geetha Shankaran-Lam and insightful workshops from the Malaysian Institute of Art and The One Academy. Held in the newly dedicated Dato A.R. Peter Hall, the event honoured a revered educator's legacy. We thank all supporters, with proceeds benefiting selected charities, and dedicate this success to our students.

Mooncake

FESTIVAL

On October 3rd, we joyfully celebrated the Mooncake Festival with our students through a meaningful blend of cultural activities and festive treats. The day was filled with fun, learning, and hands-on experiences that helped students appreciate the traditions behind the celebration. As they enjoyed mooncakes and interactive sessions, the spirit of unity, gratitude, and togetherness shone brightly, making the event both memorable and enriching for everyone.

LITTLE BARISTA WORKSHOP

October 16th 2025

Students from Year 1 to Year 4 had an exciting and educational visit to the Starbucks Little Barista Workshop, where they enjoyed creative, hands-on activities in a child-friendly environment. They listened to a storytelling session about coffee's journey, explored sensory activities, and created coffee-powder artwork. Students also decorated cocoa drinks and donuts with various toppings. The trip ended with certificates, prizes, and plenty of smiles as they proudly shared their creations.

WITH STARBUCKS

October 17th 2025

CRIS

POTTERY WORKSHOP

To mark their final CCA session, Creativity Club members enjoyed a hands-on pottery workshop at ZEN Ceramic in Subang. They learned the pinching method, shaped clay into small mugs, and added handles and decorations. After glazing their pieces with vibrant colours, students wrapped up the session with laughter, creativity, and teamwork—an enjoyable end to the year.

fremdy

creative

ZOO NEGARA

FIELD TRIP

October 23rd 2025

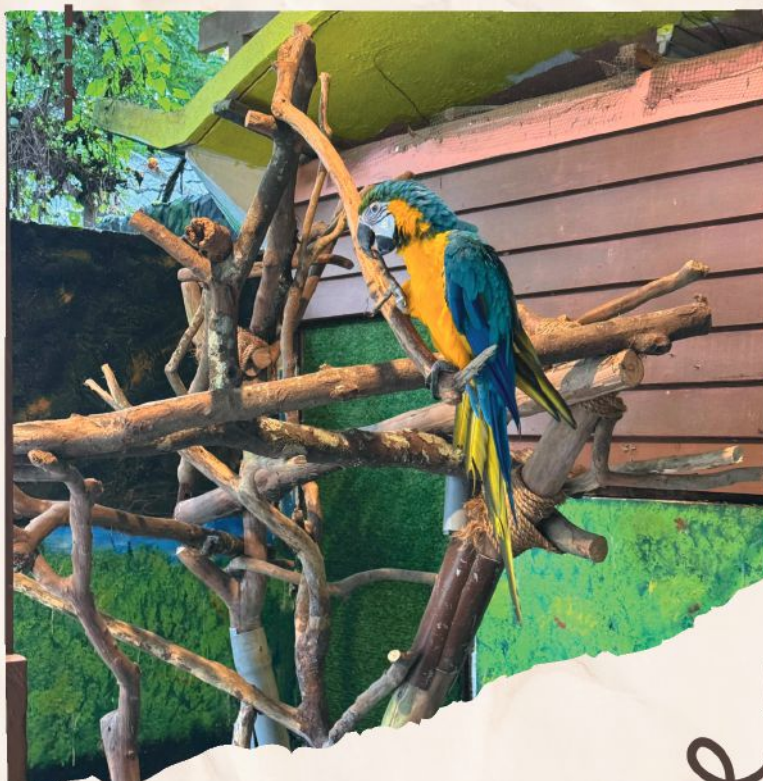

Explore

Campus Rangers Secondary students enjoyed an engaging educational excursion to Zoo Negara, Selangor. The trip allowed them to observe a diverse collection of animals living in environments created to resemble their natural habitats. A major highlight was the Giant Panda Conservation Centre, where students discovered more about Malaysia's ongoing efforts to protect endangered species and support global conservation work.

As students explored the various zones of the zoo, teachers and zoo guides shared insights into animal behaviour, adaptations, and the challenges faced by wildlife across different ecosystems. The aquarium, reptile house, and bird aviary provided additional hands-on learning experiences, giving students the chance to observe unique species up close. Throughout the visit, they took notes, asked thoughtful questions, and engaged in short activities to deepen their understanding of biodiversity.

Beyond its academic value, the outing also strengthened friendships and encouraged teamwork as students navigated the exhibits together. The experience was both enjoyable and enriching, offering students a meaningful appreciation of wildlife and reinforcing the importance of caring for the environment.

October 31st 2025

Deepavali

CELEBRATION

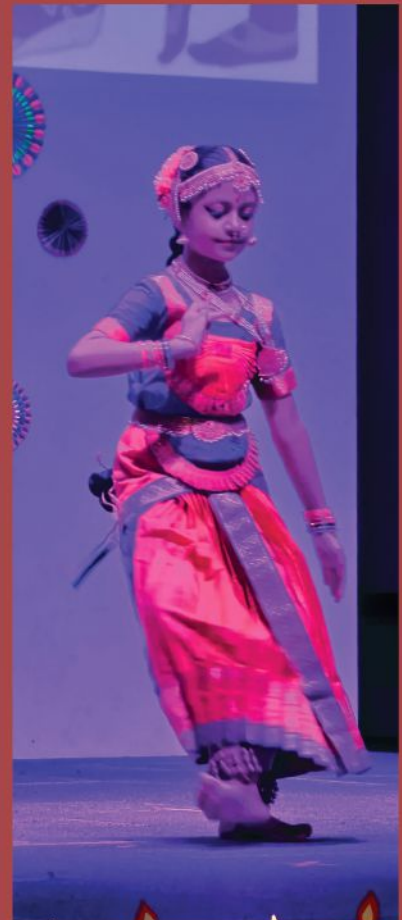

On 31 October, our Preschool, Primary, and Secondary students came together to celebrate Deepavali, the Festival of Lights. The school was alive with joy as students, teachers, and parents gathered to honour this meaningful cultural event.

Parents joined engaging activities, such as painting and creative art sessions, which encouraged family bonding and festive fun. A teacher fashion show added colour and elegance, with teachers showcasing beautiful traditional attire.

Our students also delivered energetic dance performances that highlighted Deepavali's message of light overcoming darkness. The celebration brought our school community closer, creating a day filled with unity, culture, and shared happiness.

KL BIRD PARK

FIELD TRIP

November 6th 2025

Explore

Our visit to KL Bird Park on 6 November was a delightful adventure shared by students and teachers. The atmosphere was lively, and everyone was eager to explore the park and experience something new together.

The students took part in an exciting hands-on session where they had the chance to hold various birds, making the day both thrilling and memorable. They also discovered different bird species, learned about their unique abilities, and gained a deeper appreciation for the wonders of nature through close interaction.

For many, it was their first time engaging so closely with these creatures, and the enjoyable performances prepared by the trainers made the experience even more special. We extend our sincere gratitude to KL Bird Park for welcoming us and putting together an entertaining show for everyone.

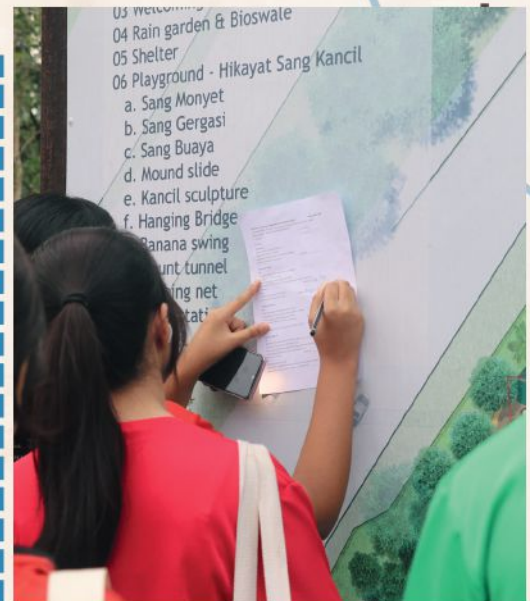

Vibrant

TAMAN BOTANI TREASURE HUNT FIELD TRIP

November 6th 2025

Year 9 students and teachers took a refreshing break at Taman Botani Perdana after a demanding period filled with exams and school commitments. The highlight of the outing was an exciting treasure hunt that transformed students into "Garden Detectives." In groups, they explored the vast grounds, solving riddles connected to notable locations and iconic elements within KL's historic Lake Garden. The activity encouraged teamwork, curiosity, and plenty of fun as they made their way through the scenic surroundings.

Refresh

The day continued with light morning workouts and a variety of sports, including sprinting, football, volleyball, and badminton. Everyone enjoyed a well-deserved snack break by the Boathouse, indulging in nasi lemak, cookies, and chocolate to keep their energy up. Afterwards, buddy groups wandered leisurely around the garden, with many naturally gravitating toward the playground—because no one can truly resist swings and see-saws, even when the signs say they're meant for kids.

Overall, the trip provided a calming escape into nature, giving students the space to unwind and recharge emotionally and physically. With renewed spirits and fresh motivation, the group now looks forward to planning next year's activities—this time ready for an even bigger burst of energy and excitement.

A Journey to Explore China's Winter Culture

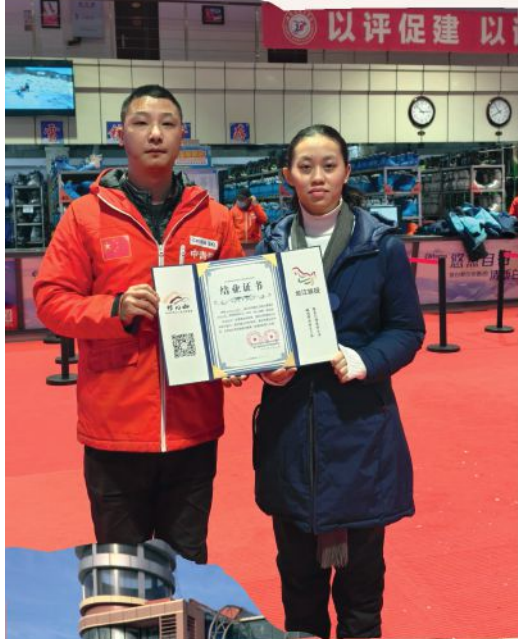

Campus Rangers International School organized an exciting educational trip titled "Fairy-Tale and Snow Adventure: A Journey to Explore China's Winter Culture", held from 9 to 16 December 2025. This specially curated journey aimed to expose students and parents to the wonders of winter while fostering meaningful learning beyond the classroom. It provided a rare chance for participants to experience China's cold season in a fun, safe, and culturally enriching environment.

During the trip, students and parents were greeted with breathtaking winter landscapes that felt straight out of a fairy tale. The snowy surroundings allowed them to observe seasonal changes and explore the natural beauty of China's winter environment. These moments encouraged curiosity and appreciation for different climates, broadening their global perspective.

Harbin, China

December 9th - 16th 2025

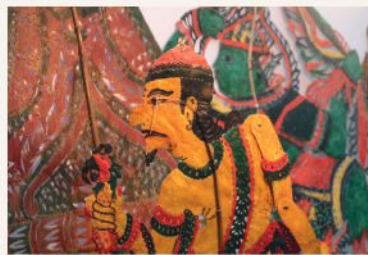

Adventure-filled activities such as skiing, snow rafting, and winter sports added excitement to the experience. These hands-on activities helped students build confidence, strengthen teamwork, and develop resilience as they learned new skills in a unique setting.

Cultural learning was also a key highlight. Participants visited a cultural village, interacted with local traditions, and engaged in creative sessions such as ice print making. These immersive experiences deepened their understanding of Chinese heritage, making the trip both educational and unforgettable for all.

Wayang Kulit Kelantan Festival 2025

“WAYE KITO”

@Sunway University

Students from Years 9, 10, and 11 attended the Waye Kito: Wayang Kulit Kelantan Festival, celebrating Malaysia's cultural heritage. They explored the traditional art of shadow puppetry through storytelling, puppet-making workshops, and a live music demonstration. Students also played traditional games such as congkak and batu seremban. This enriching experience offered hands-on learning and deepened their appreciation of local traditions in a fun and educational way.

Campus Rangers Secondary students had an amazing opportunity to explore the world of science with guest scientists from IMU University's School of Health Science. They delved into fascinating topics such as DNA, blood, and microbes, gaining insights into the exciting fields of Biotechnology and Biomedical Science. This hands-on learning experience allowed students to better understand the science behind these critical areas, sparking curiosity and interest in these fields for their future academic and career paths.

A fascinating journey to the sea

FUN & DISCOVER EXPLORATION DAY

@INTI College & University

Our Learning Centre students had an amazing experience at INTI College and University, exploring various fields of study. From hands-on activities in engineering and autobots to engaging with art and design, they gained valuable insights into different career paths. The hospitality program offered a glimpse into the world of service and management. This visit gave our students a firsthand look at the diverse opportunities available for their future, sparking excitement and inspiration for their academic journeys ahead.

Learning Unleashed

CHEMISTRY IN MOTION

with Monash University

Campus Rangers International School hosted Grades 7–9 students in an innovative chemistry-powered car project. Guided by university mentors, students created recycled plastic-bottle racers propelled by baking soda and vinegar reactions. Aligned with "Learning Unleashed," the event encouraged problem-solving, teamwork, and scientific curiosity through design, experimentation, and thrilling head-to-head races.

**"Love, Relationship, and Growing Together" and "Friendship:
Building a Circle of Trust."**

CAMPUS VISIT

UCSI University

On 6th August, Year 11 students visited UCSI University for an inspiring programme. They attended motivational talks on relationships and friendship, toured the campus, and joined workshops in crime investigation, creative planting, and food science. The day also included scholarship offers, making it a memorable experience of learning, discovery, and encouragement for their future.

Immersed in The VORTEX XR Lab

TAYLOR'S CRUISER

By The Risers

Campus Rangers International School had an inspiring day as Taylor's Cruiser by The Risers brought an immersive learning experience to our students. Secondary learners explored the VORTEX XR Lab, discovering 360° VR lessons on the human heart, molecules, and design. They also enjoyed a virtual tour and personality tests. Many thanks to Taylor's Cruiser and our school team for making this innovative event possible.

Educational Trip

CAMPUS VISIT

@Dongseo University

Our Year 10 and 11 students visited Dongseo University, Malaysia Campus, for an inspiring educational trip. They learned about university life, academic pathways, and global programmes through presentations and interactive sessions. Warmly welcomed by the staff, they ended the visit with a delightful lunch and meaningful discussions. We sincerely thank Dongseo University for hosting such an enriching experience.

YEAR 1

**SCIENCE
CLASS**

YEAR 3-5

SCIENCE
CLASS

IMMERSION PROGRAMME

Campus Rangers believed that diversity in student nationality enriched both social and academic growth. Students from China and Korea immersed themselves in our regular classrooms, creating opportunities for meaningful cultural exchange. Studying and collaborating side by side allowed all students to broaden their perspectives, enhance communication skills, and appreciate global viewpoints, strengthening our inclusive learning community.

Coffee *Morning*

We hosted a successful Coffee Morning event for our existing parents at Campus Rangers International School. The event provided a relaxed and friendly space where parents had the chance to meet each other, share experiences, and discuss their children's school life. It was a wonderful opportunity for both new and long-term families to connect with teachers, staff, and fellow parents.

Over coffee and tea, attendees engaged in insightful conversations about upcoming school events, academic progress, and how to further strengthen the partnership between home and school. Many parents appreciated the chance to raise questions, voice concerns, and learn about the school's latest initiatives.

The event helped foster a sense of community and created a platform for parents to share ideas and suggestions for improving the school experience for their children. It was a fantastic opportunity to build stronger relationships and ensure that parents felt informed and involved. Overall, the Coffee Morning was a great success, and we look forward to more events like this in the future.

G & A

Campus Rangers

INTERNATIONAL SCHOOL
& LEARNING CENTRE

The Graduation and Awards Ceremony was a proud and memorable occasion for the primary and secondary students of Campus Rangers International School and Campus Rangers Learning Centre. Families, teachers, and friends gathered to celebrate the achievements, growth, and perseverance of our students throughout the academic year. The ceremony honoured academic excellence, character development, leadership, and co-curricular accomplishments, showcasing the diverse talents within our school community. Graduates walked the stage with confidence and joy, marking an important milestone in their educational journey. The atmosphere was filled with gratitude, applause, and heartfelt smiles as students received their certificates and awards. It was a meaningful event that reflected hard work, dedication, and the bright futures ahead for all our Rangers.

PROM NIGHT

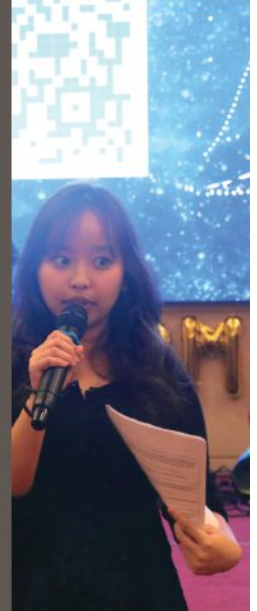

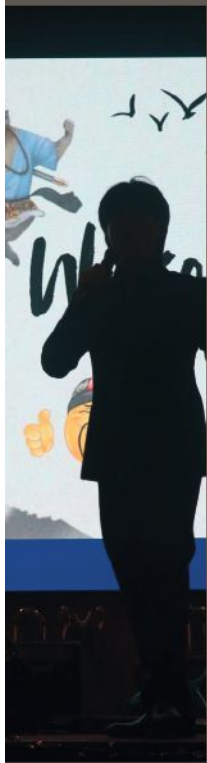

Campus Rangers

INTERNATIONAL SCHOOL
& LEARNING CENTRE

Prom Night 2025 was a dazzling and unforgettable evening for our Year 10 and Year 11 students from Campus Rangers International School and Campus Rangers Learning Centre. Held on 18 November (Tuesday) at Four Points by Sheraton, Puchong, the celebration began at 6:30 PM and brought together students dressed in their finest. The ballroom was filled with excitement as everyone enjoyed a night of music, laughter, friendship, and memorable moments. From grand entrances and lively dancing to heartfelt speeches and photographs, the event marked a meaningful milestone in the students' journey. It was an evening that strengthened bonds, celebrated growth, and created memories that will be cherished for years to come. Truly, a night to remember.

IN LOVING MEMORY OF DATO' A.R. PETER:

A LIFE OF PURPOSE AND SERVICE

Dato' A.R. Peter

Our Campus Rangers International School community gathered to attend the Funeral Mass of the late Dato' Anthony Reynolds Peter, Tokoh Guru Kebangsaan 1995, honouring an educator whose lifelong service shaped countless lives. Humble despite his accolades, Dato' A.R. Peter believed teaching was a calling and often reminded students to learn not only for themselves but for others. His legacy of dedication, integrity, and purpose deeply moved our students, reminding them of the lasting impact one passionate teacher can have across generations.

MS. ZAFIRAH

We've learned so many new things—reading new words, solving tricky maths problems, and exploring the world around us. But just as important as learning in the classroom was how we learned to be kind, to share, and to treat others with respect.

As you grow, always remember: being a good friend, using kind words, and making good choices are just as important as being clever. Keep being curious, keep working hard, and always try your best to do the right thing—even when it's not easy.

I'm so proud of you all. Keep shining, Year 1 Joy!

MR. HAZEMAN

Guiding this wonderful group of students has been like watching a little garden grow. Each child is a unique and beautiful bloom, and together they have created a classroom filled with warmth and friendship. Their curiosity is endless, and their enthusiasm for learning new things from a cool bug on the playground to a fascinating story is absolutely contagious. They are at that magical age where they are becoming more independent, yet they still have such a sweet, innocent view of the world. My heart is so full getting to be their teacher. They are a truly special bunch

5 Hope has made a lot of progress this term. The class has shown courage in learning to forgive, accept each other, and grow together, even though there were times when they didn't agree. Their kindness and excitement have made our classroom a warm place, whether through shared laughter or quiet acts of support. It's been great to see them come together more, not just when they work together, but also in how they choose to care for each other. Good job, 5 Hope! You've shown that it takes heart to grow together, and you've done it beautifully.

To all my beloved students,

Some of you I met way back when I was an intern, as your class assistant. Words can't express how happy I am to see how much you've grown. I'll tell you a secret: I was nervous to meet you and worried how you all would feel about me but over the months, we have grown closer and learnt so much about one another. I truly hope that you have enjoyed this year with me as your homeroom teacher. Thank you for the sweet memories.

*All my love,
Ms Tze*

WALL OF GRATITUDE

By: Our Primary Students CRIS

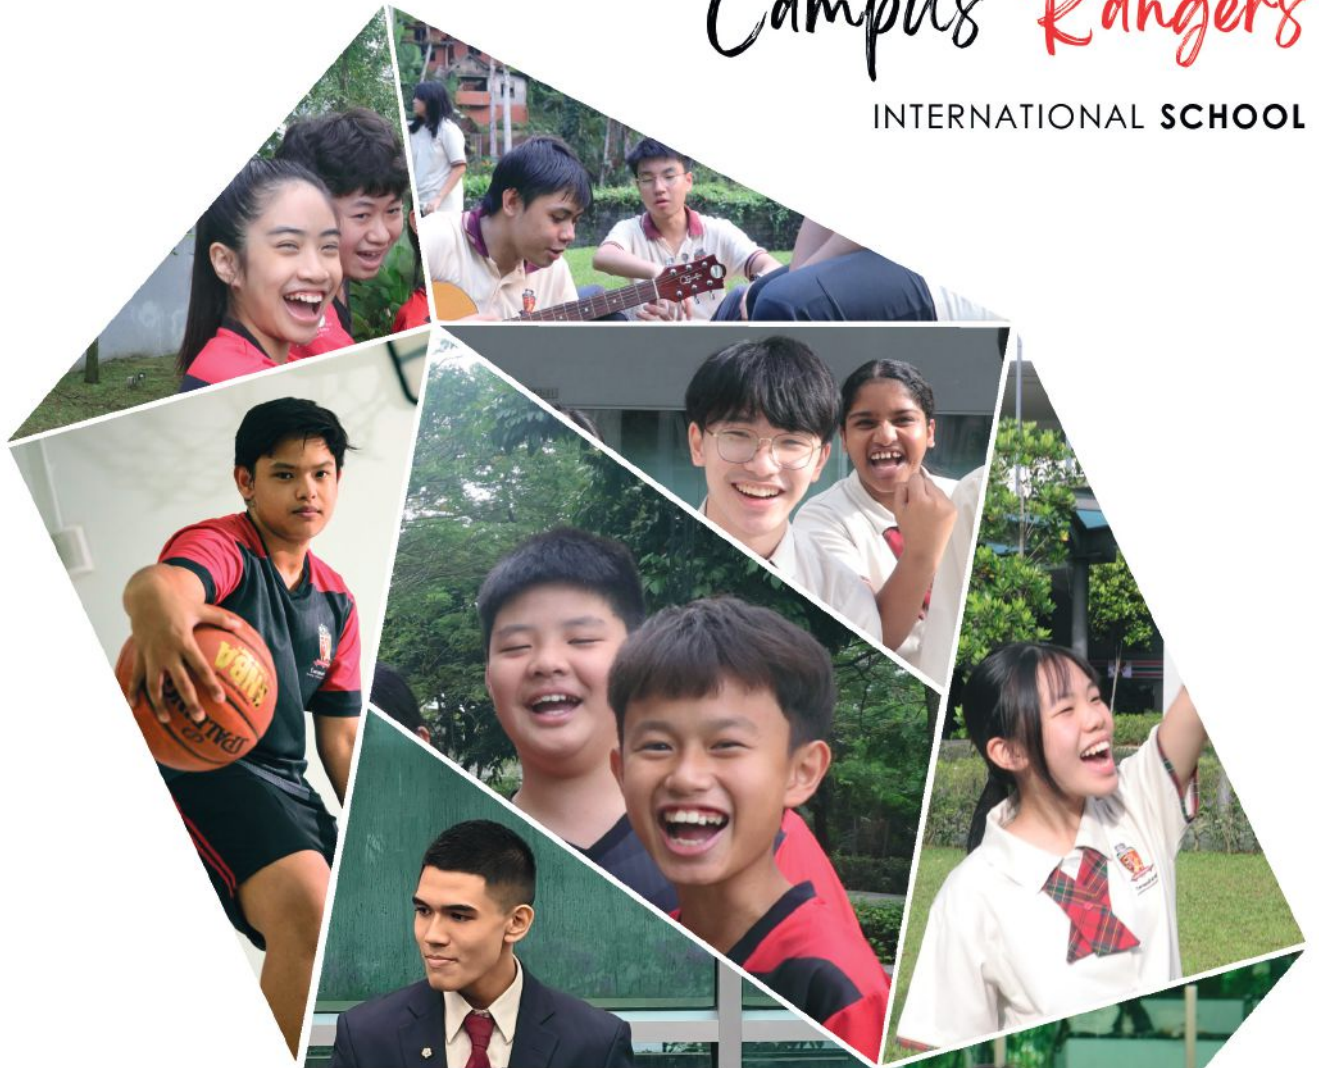

Our Primary students are happily decorating the Wall of Gratitude with heartfelt messages expressing appreciation for their parents, teachers, and friends. Each note highlights their sincerity and growing awareness of kindness and thankfulness. Some students express gratitude to their parents for their constant love and support, others acknowledge their teachers for their guidance, and many share sweet messages about the friendships they value. The wall has transformed into a vibrant and uplifting display of appreciation, reminding everyone of the meaningful relationships that enrich their school life.

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge." - Albert Einstein.

TZE HENG

Hope that we all can achieve our goal

CHLOE

Love the life you live, live the life you love.

JOEVAN

Be mentally strong, its more important than physical

HARSITH

Good times, Mid grades

SEE XHUAN

Life isn't about waiting for the storm to pass by, but about learning to dance in the rain.

JADEN

Friends come and go, but are they actually friends? Or just "friends"

JO EY

To my friends you shaped my happiest days and made every challenge lighter with your presence.

CCA & ECA

Campus Rangers

INTERNATIONAL SCHOOL

Extracurricular and co-curricular activities play a vital role in shaping well-rounded students at Campus Rangers International School. These programs complement academic learning by nurturing essential life skills such as teamwork, leadership, creativity, and resilience. Through sports, clubs, arts, and community service, students discover their passions and develop confidence beyond the classroom. Co-curricular activities like debates, science fairs, and performances strengthen communication, critical thinking, and collaboration. Such experiences also foster a strong sense of school spirit and global awareness, preparing students to thrive in diverse environments. At Campus Rangers, these activities are not just add-ons—they are integral to holistic education, helping every student grow intellectually, emotionally, socially, and physically while building character and lifelong values.

CAMPUS RANGERS LEARNING CENTRE

Our journey with Campus Rangers Learning Centre began with new memories rooted in learning, growth, and inspiration. It was a year of fresh starts, where students embraced meaningful experiences, forged strong friendships, and continued to grow toward their futures within a nurturing and vibrant school community.

P M

PRINCIPAL'S
MESSAGE

As we look back on this school year, we are reminded that memories make us. Every day at school — the laughter with friends, the challenges we face, and the little successes along the way — becomes part of who we are. These memories stay with us and help us grow into kind, confident, and thoughtful individuals. These memories, woven together, create the story of our community and the identity of every student who walks through our doors.

Yet, while memories anchor us, it is imagination that moves us forward.

Imagination gives us the power to dream and explore. It lets us see new possibilities, solve problems in creative ways and imagine a future filled with opportunities. It sparks curiosity and helps our students discover their own unique talents.

This year, we celebrate both the memories our students have made and the dreams they are imagining. These two forces — remembering where they have been and imagining where they can go — guide our students to grow, learn, and shine.

I am proud of all our students for the joy, creativity, and determination they bring to school each day. May they carry these memories and their imagination with them always, as they continue to learn, explore, and dream big into the future.

Phua Siew Cheng
Principal

To my Year 4 Alexander class,

What an incredible year it has been! Watching each of you grow, learn, and show such determination has been an honor. We've had our ups and downs, but we faced them together and made it through stronger than before.

As you move forward, I hope you'll always remember the lessons you've learned, the laughter we've shared, and the friendships you've built along the way. Here's to a bright 2025 ahead — and I can't wait to see all the amazing things you'll do in 2026!

MS. STEPHANIE

Year 5, we faced tough challenges but worked together to overcome every obstacle. With everyone's effort, we achieved great things and learned so much. I'm proud of all of you. Let's look forward to an even better and exciting year ahead!

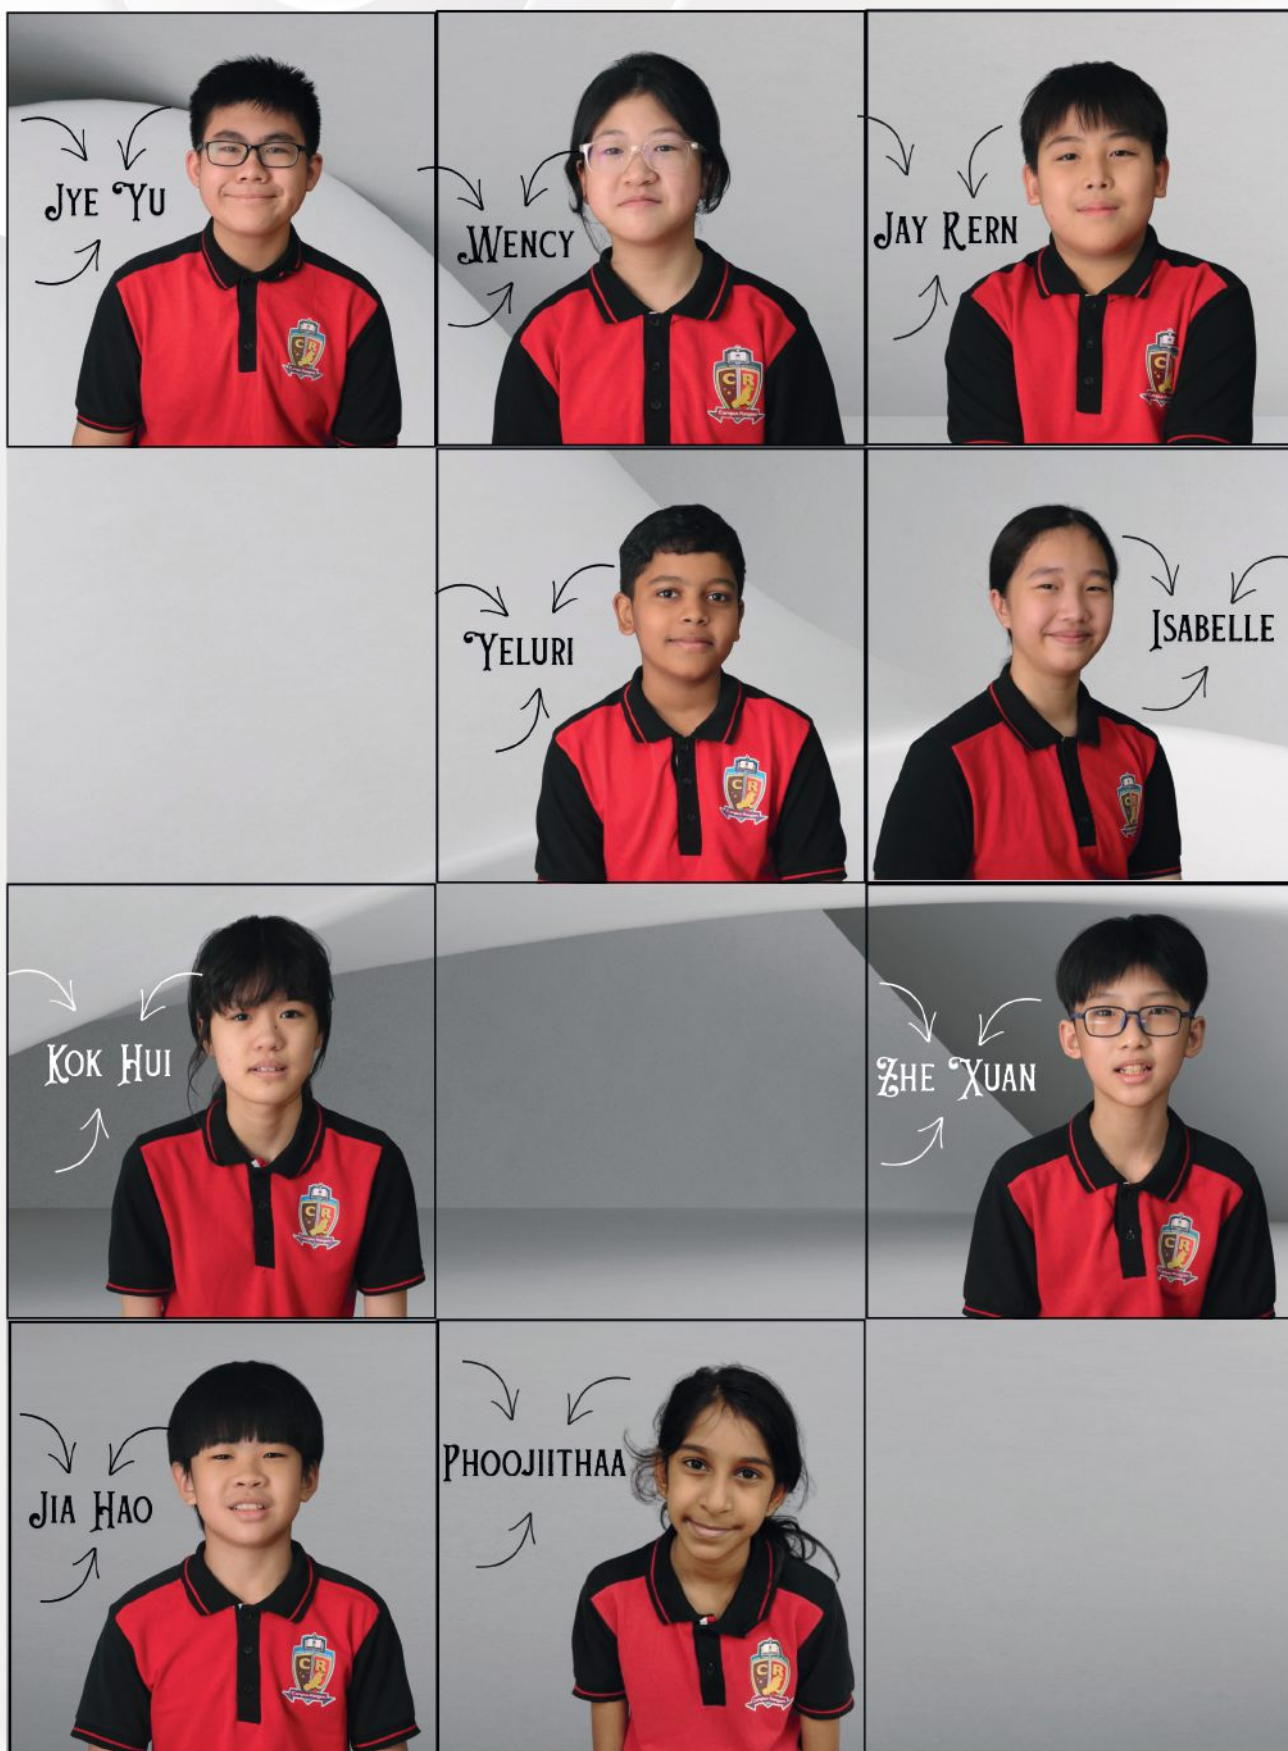

Daimler

Back row: Tan Jye Yu, Goh Zhe Xuan, Wong Jay Rern, Yeluri Ishit Ronel, Yu Jia Hao
Front row: Low Kok Hui, Phoojiithaa A/P Kalai Kumaran, Chong Wency, Isabelle Lim Yue

Dear Year 6 Daimler, I have so much to say to you but words fail me right now. All I can say is that I'm exceedingly proud of all that you have accomplished - from your academic excellence to your expressive creativity and your determination to excel in all you do. You have been one who conquers mountains and overcomes valleys with your teamwork and heart. My hope is that as you continue on to this new chapter of your life, you will not lose this zeal for your passion. Don't ever change, you truly are remarkable young people and it has been an honour to teach you and be a part your lives.

Dear 8 Rutherford 2025,

Thank you for the two wonderful years of being your class teacher. You may not be top scorers, nor the best-behaved students, but each of you is full of potentials. Each of you brought a gift that makes up 8 Rutherford. It will never be the same without you. Some students bloom early; some bloom later. You will surely bloom one day. Know yourself and be yourself.

MR. RAJIV

Students of 9 Beethoven. You've worked hard, learnt much, and grown in ways you may not even realise. Believe in your potential and keep aiming higher. Challenges are stepping stones, not obstacles. Carry your determination into the new year, and remember — success follows those who never stop trying. Well done and keep shining!

Mozart

Absent: Fung Wei Jie, Ong Lip Hin

MRS. TAN ENG KIAN

Dear Year 10 Kinkade,

What a year it has been! Watching each of you grow while you participate in the various events that Campus Rangers has organized, including The Leader in Me, Cross-country Run, Sports Day, and, last but not least, our Graduation and Awards Night — not just in knowledge but in maturity, confidence, and teamwork — has truly been one of the most rewarding parts of my year. You've faced challenges, celebrated victories, and learned lessons that go far beyond the classroom. Take a moment to reflect on your 2025 journey. Think about the study habits that helped you succeed and the ones you might want to improve. Every bit of self-awareness you gain now will guide you as you step into Year 11 — your IGCSE year — with renewed focus and determination. Keep striving, keep learning, and keep believing in yourselves — because I certainly do.

*With warmest wishes and pride,
Mrs. Tan Eng Kian*

Picasso

Back row: Lim Jian Hao, Chong Pin Jiu, Yan Hou Sam, Lee Matthias

MS. MARIAN

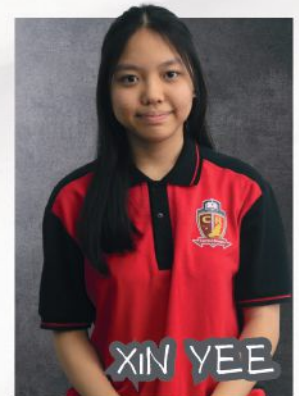

To my dearest Year 11 Handel,

What a journey it has been! From surprises to laughter, from quiet determination to full-on exam mode, you've embraced it all. You've grown into such bright, kind, and capable individuals, and it's been an honour to watch it happen.

As you close this chapter, remember this isn't the end, just the start of a bigger adventure.

You'll always have a teacher cheering for you.

With love, Ms Marian Loh

MS. TAN

My beloved Year 11 Vivaldi. It has been a joy to be part of your lives - watching you all grow physically and also into 'mini adults'. Life in class has been challenging but truly fulfilling. All the best for the next chapter of your lives as you embark to different paths. Never lose your human values of love and care for one another. Will miss you all.

Always Your teacher- Ms Tan

Campus Rangers

LEARNING CENTRE

At Campus Rangers Learning Centre, our Secondary Program offers a vibrant and enriching co-curricular environment that encourages students to discover their interests and develop their talents beyond the classroom. Through a variety of clubs, students gain opportunities to explore new passions while building essential life skills. The STEM Club sparks creativity and problem-solving through hands-on activities in science, technology, engineering, and mathematics, while the Performing Arts Club enables students to express themselves through music, dance, and drama, strengthening their confidence and teamwork. Our Entrepreneur Club introduces students to the world of business and innovation, helping them cultivate leadership, critical thinking, and an entrepreneurial mindset. Additionally, the Christian Fellowship supports students in their spiritual growth and character formation through faith-based activities and meaningful community engagement. Together, these clubs reflect our holistic approach to education, shaping well-rounded learners equipped with diverse strengths and the ability to thrive in various aspects of life.

TEACHER REVIEWS

I enjoy teaching at CRIS. I love seeing children's enthusiasm and eagerness to learn new things. My heart always loves the students, though at times they need reminders about their behaviour. The teachers generally work well together. We are closely knitted and support each other in all events.

The good leadership, combined with supportive and hardworking colleagues, makes working at CRIS an enjoyable experience. Love and respect make this community special.

Leong Swee Har - Senior Assistant

The experience has been both fulfilling and enriching. What makes it particularly meaningful is the opportunity to contribute to a learning environment that values not only academic excellence but also character development. Seeing students grow intellectually and personally, and knowing that I play a role in that journey, brings a deep sense of purpose to my work here.

What I enjoy most about working at CRIS is the supportive and collaborative environment. The leadership is approachable and visionary, fostering a culture of trust and continuous improvement. Additionally, there are ample opportunities for professional growth through training, mentorship, and the sharing of best practices among colleagues. This combination makes CRIS not just a workplace, but a space for ongoing personal and professional development.

The students at Campus Rangers are inquisitive, respectful, and eager to learn, which makes teaching them a truly rewarding experience. My colleagues are dedicated, compassionate, and always willing to support one another. What makes the school community special is the strong sense of unity and mutual respect that exists across all levels from staff to students. It's a nurturing environment where everyone is committed to each other's success, and that shared commitment creates a vibrant and inspiring atmosphere.

Manimala Karuppasamy - ICT & STEM Teacher

TEACHER REVIEWS

I'm very happy working at Campus Rangers, as it gives me supportive mentors who guide and support me. The recognition and feedback I receive also help me improve my work.

What I enjoy most at Campus Rangers, I'll say all, as it has a very balanced supportive environment, the leadership, and opportunity to grow professionally. A supportive environment is very important as I receive respect and stability at work. I have the best leaders who really motivate me, who provide clear guidance and listen. Furthermore, Campus Rangers helps me to grow by giving me new challenges and tasks to upgrade myself for the future.

I would say my students are a handful. Although I'm usually quite strict and stern in class, they have always shown me love and respect—both inside and outside the classroom, even though I'm aware that they're a little scared of me.

My colleagues are truly my happy pills. They're the best, and we always have a gala time together. It's the teamwork, the way we lift each other up when one of us is down, and the constant support and love we share that make us a truly great team.

Pavitra - English Teacher

Teaching at Campus Rangers has been such a rewarding journey. I get to share knowledge, but even more special is watching my students grow in confidence, character, and curiosity. The most meaningful part for me is knowing that we're shaping not just their academics, but also their values and life skills that will guide them for years to come.

I enjoy working at CRIS — is it the supportive environment, the leadership, or the opportunity to grow professionally. Honestly, it's a mix of all three. We have leaders who are approachable and genuinely care about both staff and students. The environment here is so supportive that it's easy to share ideas and work together. Plus, there are plenty of opportunities to keep learning and improving, which keeps me inspired to give my best every day.

Our students are full of life, curious, respectful, and always ready to learn, which makes teaching them a real joy. My colleagues are just as amazing as they are dedicated, encouraging, and always ready to lend a hand. Together, we've built a warm, close-knit community where everyone feels valued and supported. That's what makes Campus Rangers truly special.

Mahaletchumy Kodisvarow - Math Teacher

TEACHER REVIEWS

What makes everyday working at CRIS so meaningful is the bond I have with my students and my colleagues. At times, the environment can be stressful but having my students greet me with a smile on their face makes every difficult moment worth all the struggle.

What I enjoy the most is being able to come to work everyday and contribute to the people around me. I've learnt so much from my colleagues. Many opportunities have been bestowed upon me to push me to grow even further. In just a year, I've experienced so much and transcended in my personal and professional development. Looking back and seeing how much I've grown as a person makes me want to keep going.

My students are the reason I do what I do. Sometimes teaching can be a thankless job. It's the little moments you catch when the student share how they really feel about you in roundabout ways that you realize, "My actions do have an effect on them." Since my first day here, my colleagues have been nothing but supportive. I know that I can come to them for advice and help and they've never let me down. I feel at ease knowing there are so many experienced people here that know way more than me. Knowing that I don't have to learn certain things the hard way because I have their counsel.

Tan Tze Lim- Head of English

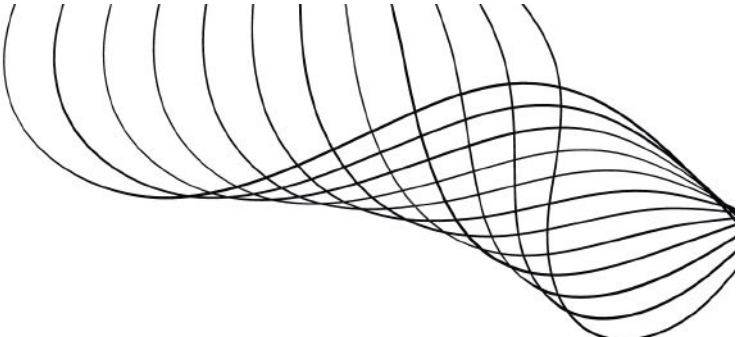

I'm happy teaching at Campus Rangers. I enjoy working with the students and seeing their progress. The team is supportive, and I feel appreciated here. What makes it meaningful is knowing that I'm helping students grow and learn every day.

I enjoy the supportive environment the most. It makes work more enjoyable and helps me do my best. The leadership and growth opportunities are also great, but the team support is what I value most.

The students are friendly and eager to learn, and my colleagues are supportive and easy to work with. What makes the school community special is that everyone cares about each other and works together like a family.

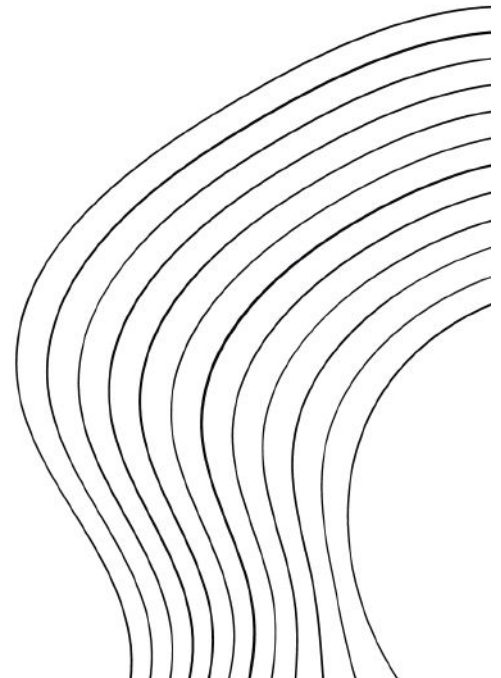

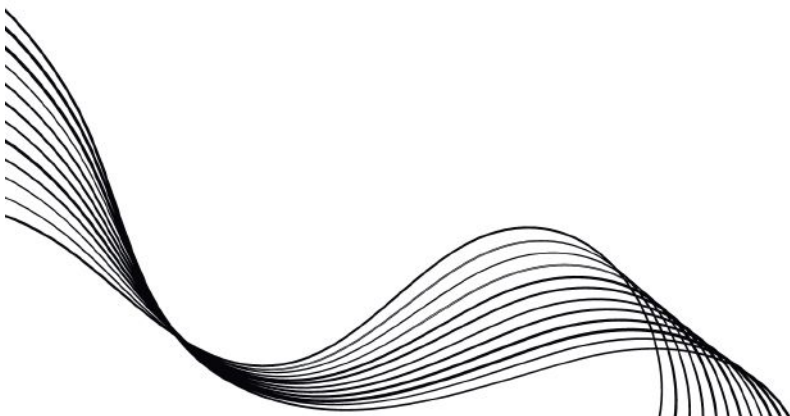

Cheah Mei Peng - Math Teacher
