International School

OUR SUCCESS STORY

Campus Rangers International School is committed to helping students thrive academically and personally. With a supportive learning environment, experienced educators, and individualized guidance, students are encouraged to reach their full potential. The school also promotes achievement beyond the classroom through diverse extracurricular activities, leadership training, competitions, and community service.

These opportunities build confidence, resilience, and a well-rounded character, preparing students for success in school and in life beyond the campus.

VISION

To provide holistic & comprehensive education to all students so that they can excel according to their God-given talents and abilities in order to compete in and contribute to a global society

MISSION

To teach and train students to excel, while modelling discipline, commitment, spiritual and moral principles of a quality international school

ETHOS

- Equipping students with holistic & quality education
- Impacting them with Godly values & practices
- Transforming lives through love, care & counselling

CORE VALUES

Excellence, Discipline, Mutual Respect, Love, Care, Spiritual & Moral Principles, Diligence, Inclusion and Creative

PHILOSOPHY

No one is left behind

OUR ADVENTURES

Rangers Kidz

Welcome to the Early Years Foundation Stage (EYFS)

At Rangers Kidz, we believe that a strong foundation in the early years sets the tone for lifelong learning. The EYFS curriculum is designed to support the holistic development of children, helping them grow into confident, capable, and curious learners.

What is EYFS?

The Early Years Foundation Stage (EYFS) is a structured, play-based framework that guides early childhood education. It is centred on seven interconnected areas of learning and development that help children make sense of the world around them.

7 PRIME AREAS OF LEARNING

These areas lay the foundation for children's success in all other areas:

1. Communication & Language

- Developing speaking, listening, and understanding
- Building vocabulary and confidence to express ideas

2. Physical Development

- Enhancing gross and fine motor skills
- Promoting health, movement, and coordination

3. Personal, Social & Emotional Development

- Encouraging independence and self-awareness
- Building relationships and managing emotions

4. Literacy

- Learning sounds, letters, reading, and writing
- Enjoying stories, books, and early mark-making

5. Mathematics

- Understanding numbers, shapes, patterns, and measurements
- Solving problems through hands-on activities

6. Understanding the World

- Exploring the environment, people, and communities
- Introducing technology and cultural awareness

7. Expressive Arts & Design

- Encouraging creativity through art, music, dance, and play
- Supporting imagination and personal expression

Learning Through Play

Play is central to how children learn in the EYFS. From building blocks to exploring nature, play encourages problem-solving, independence, and communication.

It's not separate from learning — it is learning.

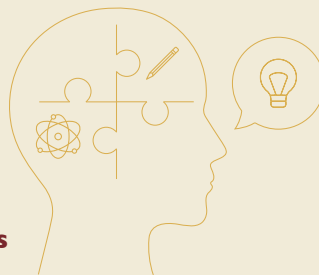

Partnering with Parents

Parents are a child's first teachers. We value your partnership through regular updates and open communication to support every child's growth. Thank you for letting us be part of their journey.

Primary

KEY STAGE 1 & 2

Equipping, Impacting and Transforming Young Minds A World-Class Cambridge Primary Education

Our primary school is where curiosity is nurtured, confidence is built, and young learners grow into global citizens with our holistic and comprehensive education.

We are proud to offer the Cambridge Primary curriculum, a globally recognized programme that sets the foundation for academic excellence, creative thinking, and lifelong learning. Our vibrant learning environment encourages students to explore their passions while developing strong core skills in English, Mathematics, and Science. It also provides a seamless transition to Cambridge Lower Secondary and beyond.

CO-CURRICULAR ACTIVITIES

The co-curricular activities in our primary school aim to develop a holistic child. Students get to choose to be in the clubs and societies of their interest:

- Speaking and Literary Society
- Chinese Cultural Club
- STEM club
- Performing Arts
- Games club
- Chess
- Badminton
- Pickleball
- Karate
- Archery
- Gym Dance
- Master Chef
- Master Life
- Crochet
- Creativity club

Methodology

Every child is unique and no one is left behind. Our teachers provide personalised support through inquiry-based learning, building critical thinking, character, and strong values.

We offer a safe, welcoming environment with well-equipped classrooms, labs, calming rooms, and creative spaces to support holistic development.

Out-of-Class Learning

Students showcase their talents through English Month, STEM Month, International Day, and Music & Art Festivals.

Field Trips

Primary students enjoy field trips that enhance learning, social skills, and personal growth.

Leadership Camp

All students are trained to lead. The camp builds leadership, teamwork, communication, and critical thinking skills.

Secondary KEY STAGE 3 & 4

Cambridge Assessment
International Education

IGCSE at Campus Rangers International School

We offer the globally recognised IGCSE programme, known for its academic rigour and flexibility in subject choices and assessment. It's designed for international learners, including those with English as a second language.

Our curriculum also meets Malaysian Ministry of Education guidelines.

Why CRIS?

Cultural Diversity: A global student mix promotes tolerance and awareness through events like International Day

Global Perspective: Prepares students for international universities and careers

Language Skills: English-led instruction, with Mandarin and Hindi offered

CO-CURRICULAR ACTIVITIES

With such a wide variety of CCAs and ECAs, students at Campus Rangers discover new talents, build interests, and enjoy a balanced life beyond the classroom.

- STEM Club
- Entrepreneur Club
- Pets Club
- Creativity Club
- Performing Arts
- Chinese Cultural Club
- English & Debate Club
- and more*

Camps

Our camps build resilience, leadership, teamwork, and character. Highlights include the Uniform Units Camp (Outdoor Survival), Leadership Camps, Christian Fellowship Camp, and the Pre-IGCSE Camp to prepare Year 9 students for their academic journey.

Educational Trips

Educational trips and international excursions extend learning beyond the classroom. Students visit universities, explore careers, experience new cultures, and gain real-world insights that inspire future aspirations.

Competitions

Students are encouraged to join local and international competitions in art, public speaking, debate, Kangaroo Math, and Kancil Science. We also support students in scholarship competitions, building academic excellence, confidence, and critical thinking.

MSS Games

Through the Majlis Sukan Sekolah (MSS) games, students showcase their talents in gymnastics, swimming, chess, badminton, basketball, and archery. This platform builds resilience, teamwork, and opens doors to higher-level competitions and sports scholarships.

WHY CHOOSE US?

Holistic Education

Academic skills and knowledge are keystones to future success. Values of equity, equality, and diversity inspire student growth and learning.

Character-building, ethics, and citizen education are the bedrock of our pedagogy

Academic Excellence

We develop intellectual competence, critical thinking skills, perseverance, and a thirst for knowledge. These qualities lead to content mastery, personal development, and effective communication. Literacy, numeracy, and social etiquette are at the core of our program

Inclusive Environment

Our campus is safe, clean, and conducive to learning. Facilities are well-equipped and resources and materials are available to support a positive experience

Vibrant Campus Culture

Dedicated to character and leadership development, we support an inclusive, student-centred culture where students take numerous leadership roles, learning to interact in a multicultural social environment among peers
